Galiano Resigns From Jeff School Board

By FRANK LaPIERRE

Attorney Peter Galiano has resigned his position as trustee of the Jefferson Elementary School District, effective Friday, The Times learned today.

He had two years remaining of a four year term.

Galiano's resignation was first rumored some two weeks ago after it was disclosed he had sold his home at 71 Lakeview Drive in the Westlake section of Daly City and purchased a home in Marin County.

The San Francisco attorney had been at loggerheads with his fellow trustees since his election in July 1965 and had on numerous occassions, criticized expenditures of certain travel funds within the district by board members.

He was the subject of an "ethics probe" last year because of is alleged past affiliations with the California Teachers' Association.

Galiano admitted he had represented the CTA on one specific case, but denied he was "employed" by that organization.

No action was ever taken on the charges by the Board.

Galiano said he was leaving the Board "simply because I am moving to Marin County."

A letter of resignation was sent Tuesday to Dr. J. Russell Kent, County Superintendent of Schools — not to the Jefferson Elementary School District Board Chairman.

asked why Chairman Thomas Noonan was bypassed, Galiano refused comment.

In a prepared statement, Galiano said:

"I want to extend to the parents and voters of the district my gratitude for the opportunity they have given me to serve tham and their children.

"I want to extend to the present membership of the Board of trustees the hope that they will meet and solve the many problems which now face them. Let us hope that the fullness of time and the recognition of the need for cooperation among board, staff and the public will ameliorate the frictions of the past.

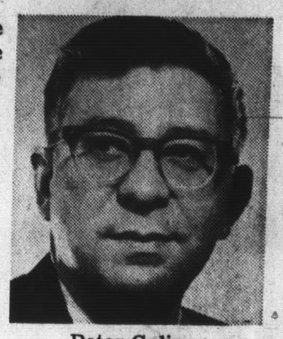
"Since history is largely a narration of the mistakes of the past, to recall them is not to reopen old wounds, but only to assure against repeating them," Galiano said.

Galiano slapped at what he called "public apathy" in the recent trustee elections.

"One would have expected that, from the turmoil of the last year, public indignation and concern would have been manifested in the elections of last April by the largest turnout in recent times, but apathy ruled the day and it did not occur. It is this one stubborn fact — public apathy towards the schools and their management — which is most significant and which should give greatest concern," he said.

Galiano said it was his hope "and expectation that the professional staff will continue to articulate its informed, corporate opinion on the major issues which arise in their special field and dismiss the tired cliches that controversy invites discord . . ."

A replacement for Galiano has not been named, however, the Board was expected to take action to fill the vacancy created by the resignation in the near future, a spokesman said.



Peter Galiano

COUNCILMEN VISIT CENTER—Daly City councilmen visited the Youth Opportunity Center on Mission Street across from the War Memorial Building last week and were briefed on various activities of the center. Assistant Director Belinda Fore (seated, far right) explained the center's goals to (standing, left to right) Councilman Edward Dennis, R. D. Tolbert of the San Mateo County Neighborhood Youth Corps; Ann W. Golder, Councilman Anthony Giammona; (seated, left to right) Dan Shelton and Delores Nolan.

Children Survive Plunge Over Mori's Point Cliff

Firemen Cheat Death

Pacifica firemen worked for more than two hours shortly after dusk Saturday to reach a man clinging high above the pounding surf at Shelter Cove.

David Giffen, 26, told rescuers after being snatched to safety that he had been walking along the abandoned railroad track which skirts the cliffs above the rocky beach, when he slipped and plunged over the steep embankment.

Giffen, a resident of the Shelter Cove area, said he was able to snag an outcropping as he slid past.

Several minutes after Giffen fell from the trail, Gordon Sullivan, of 1229 Alicante, happened onto the scene, spotted Giffen hanging onto the cliff below and summoned aid.

A three man rescue team lead by Captain Ken Donohue from the Central Station rushed to the area and lowered a rope to Giffen after gingerly picking their way out onto the unstable cliff face above the victim.

Giffen's comment after being plucked to safety:

"Thanks a lot. I can make it the rest of the way up these cliffs by myself—at least I think I can."

Police Study 2 Rifle Deaths

Police were continuing their investigation of the gunshot death of a Daly City man yesterday to determine if the shooting was accidental or a suicide.

George H. Martinez, 26, was found sprawled on his bed with a gunshot wound in his chest by his wife, Cresencia, when she returned home from work shortly before 6 p.m.

A .22-caliber rifle, along with an assortment of cleaning tools, was found lying scattered around the victim on the floor of the bedroom at 427 Skyline Drive.

Police said Martinez had expressed despondency over ill health. However, the victim's wife said her husband appeared to be in fine spirits in recent days.

County Coroner Robert Jessen was co-operating with Daly City police in the investigation of the incident.

The death was the second such gunshot incident in Daly City during the past two days.

Sunday afternoon, James Reilly Waite, 26, was found shot to death in his home at 868 Brunswick Street, an apparent suicide victim.

A .22-caliber rifle was likewise found lying beside him in the bedroom of his home.

The victim's wife, Diane, told police she had quarreled with her husband and stormed out of the house. Upon returning two hours later, she discovered the body lying on the floor in the bedroom.

He was pronounced dead on arrival at Mary's Help Hospital.

Waite was employed by the Hertz Rental Company in San Francisco.

The couple had a five-year-old son, James.

Daly City police, in cooperation with the San Mateo County Coroner's Office, are continuing their investigation.

Monkey Caught In Sink

Curiosity killed the cat, and Pacifica monkey fared little better Friday afternoon when his inquisitive explorations led him to the kitchen sink.

Charlie, a three-and-a-half-year-old primate who lives at 547 Manor Drive, got his hand caught in the drain pipe of the sink, and could not get it free until firemen arrived with a cutting torch.

Fireman Al Deshaies said he had to cut the drain pipe from the sink in order to remove Charlie's swollen fingers.

His owner, Mrs. Freida Willoit, said she has "no idea" what Charlie was searching for in the sink, "unless he dropped something down the drain."

Father Rescues 2 Boys

Two small boys survived a nightmare plunge, down a 225-foot cliff in Pacifica, Monday afternoon, as their father and other witnesses looked on in horror from the beach below.

Mitchell Tong, 4, and his two-year-old brother, Richard, were pulled virtually unscathed from their father's demolished automobile, in the surf at the bottom of Mori's Point.

Pacifica firemen said the father, Richard M. Tong of San Francisco, left the children in the car at the top of the cliff, after setting the hand brake.

Tong then climbed down a path to fish in the surf.

The children apparently released the hand brake about 4 p.m., and the car started rolling as they wrestled on the front seat. It was parked several feet from the edge.

Witnesses said the car struck a ledge about 35-feet blow the top of the cliff, then plunged end over end the remaining 190-feet and into the surf.

The father, swimming around the rocky point through heavy breakers, reached the car moments after it struck. It was resting on its top in about five-feet of water, and one of the children, the four-year-old, was in the water beneath the rear of the car.

Tong, dragged the older child to the beach and plunged back into the surf to search for the two-year-old.

As his frantic father struggled through the breakers, two-year-old Richard climbed out of the trunk of the demol-

Delay Rezoning Of Westborough

South San Francisco councilmen again continued public hearing on the Caesar-Callan firm's request to re-zone 180 acres of the Wesborough subdivision, as a planned community Monday.

City Attorney John Noonan, said he will probably have the rezoning ordinance completed in time for council action next month.

The city's planning commission recommended the zoning change, from a "U" to a "PC" district, several months ago, but it has been delayed by negotiations between developers and the city over a park and fire station site.

If the planned community zoning is approved, ordinance amendment will be nessary, if a use permit for the proposed Roman Catholic church-school complex in Westborough is granted.

The planning commission is scheduled to consider the church application next month, but officials indicated no action is likely on the matter, until the planned community zoning request is considered.

In another matter relating to the Westborough community, councilmen scheduled a special adjourned meeting tonight, to consider Caesar-Callan's request for permission to refinance a portion of the tract.

Under a recent security and escrow agreement, arranged to guarantee clearnance and preparation of the park and fire station sites, the city has the power to grant or deny permission to alter liens on the property.

However, officials said this clause in the agreement with developers, was included to protect the city's interest, and is only technically applicable in this instance.

Noonan recommended approval of the request, stating the action would aid the firm in furthere devlopment of Westborough, "and speed the process of clearing up the whole matter."

In other business Monday, the council set a public hearing, Aug. 21, to consider a request to ban "on street" parking in the city's industrial park area.

The South San Francisco Industrial Park Association, representing most of the firms in the area, requested the ordinance change several weeks ago to eliminate "bottlenecks" on the streets in the industrial section.

A resolution was adopted, requesting an allocation from the California Public Utilities Commission Crossing Protection Fund, for improvements at two crossings on Forbes Boulevard in the industrial section.

The council adopted an ordinance regulating the keeping of domestic and wild animals, "birds, fowls and reptiles, and providing for the impounding and disposition of them when seized while at large within the city."

The ordinance was adopted in connection with the city's agreement with the county Society for the Prevention of Cruelty to Animals, and is identical to San Mateo County regulations.

The highest of three bids entered on new radio equipment, for the police department was accepted, after Police Chief John Fabbri, stated equipment of the two lower bidding firms did not meet specifications.

The contract went to Motorola Communications and Electronics, Inc., with a bid of $11,180.

The Radio Corporation of America entered the low bid on the equipment, at $10,740.

S.B. Police Guard Adult Ballplayers

By DON GRIERSON

A heavy contingent of San Bruno policemen watched over players in an adult softball league game at City Park Friday night, as the aftermath of a pitched battle between adults and bottle-throwing teen-agers Monday.

A department spokesman said 15 armed policemen were assigned to the park to protect players for the Tigers and KYA All-Stars.

There were no incidents.

The strong security measures at the park were ordered by Polic Chief Russell Cunningham after a lone policeman aided by several adult ballplayers fought off a mob of 150 angry teenagers Monday in a bloody battle that resulted in the hospitalization of one of the players.

The Monday riot was touched off when a policeman attempted to take into custody a 16-year-old runaway girl.

As the lone officer attempted to place the girl in a patrol car, a crowd of about 50 jeering and cursing juveniles surrounded him.

The nearby ballplayers came to the policeman's assistance, and dispatched a "Mayday" signal over the patrol car radio as the mob on teen-agers pressed in from all sides.

Six other officers arrived and broke up the mele about 7:30 p.m., rescuing the policeman who attempted to make the arrest, and the ballplayers.

Four juveniles were arrested and cited to Hillcrest, including the 16-year-old girl.

The ballplayers went back to their game after the rowdy youths were cleared out.

About 9:30 p.m. the gang of teen-agers, now swollen to about 50, returned to the park and began harassing the players as a means of "revenge" for their assistance to the police, authorities said.

At one point, the mob jeering the youths surrounded the players and forced them to seek safety in the ball field "Dugout" shelter.

One of the players, Andrew Conway Jr., of San Mateo, was struck in the forehead with a bottle.

He was hospitalized, and nine stitches were required to close the wound.

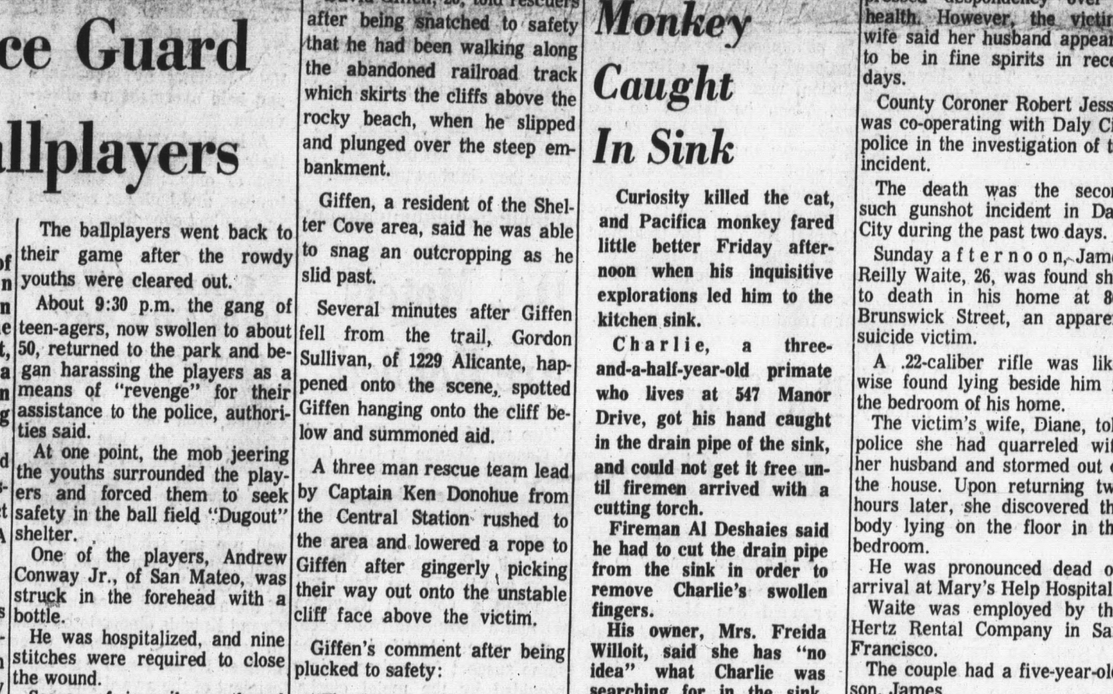
Scores of juveniles gathered at the park for last night's game, police reported, but the crowd was well behaved.

D.C. Worker Is Injured

A stamp press operator at the Crown Cork and Seal Company in Daly City was reported in serious condition at St. Lukes Hospital in San Francisco with a badly mangled right hand.

A company spokesman refused to reveal details of the accident in which Richard LaFrance, 26, of 665 Third Lane, South San Francisco, was injured.

The incident is still under investigation.



RESURFACING PROJECT ENDS—L. C. Smith Company workmen put the finishing touches on a $100,000 road resurfacing project in Daly City last Friday. The project was paid for with gas tax monies at no expense to local homeowners, City Engineer Art Reschke said. Streets affected by the program were Southgate, East Vista and South Mayfair (in front of Westlake Shopping Center). Officials praised local citizens for their cooperation while the "trains" of workmen moved along designated streets during the week-long schedule.

MRS. NORMA P. FILLMORE, 1083 Crestwood Drive, South San Francisco, looks on as a Bronze Star Medal and an Air Medal with two Oak Leaf Clusters are pinned on her daughter-in-law, Mrs. Merle Sue Fillmore, 319 Iris Street, Redwood City, by Col. John P. Connor, commanding officer, Presidio of San Francisco. The decorations were awarded posthumously to SP-4 Ronald Richard Fillmore, 20-year-old Army medic, who died in Vietnam on March 20. Specialist Fillmore was assigned to the 57th Medical Detachment (Helicopter Ambulance) engaged in the famous "Dust-off" evacuation of combat casualties direct from the battlefield to the hospitals. At about 5:30 a.m. on the morning of March 20, he was called on to fly with a UH-1D helicopter ambulance to a point northeast of Tay Ninh for immediate evacuation of a critically wounded soldier. The wreckage of the ambulance aircraft was later found where it had crashed and burned.

4 Hurt In S.S.F. Crashes

Four perosns were injured in two separate accidents in South San Francisco Sunday afternoon, police reported.

An 11-year-old girl, Julie Lerma, was treated for multiple injuries at Kaiser Hospital after a car driven by her 17-year-old sister, struck a parked vehicle on Portola Avenue about 12:30 p.m.

Officers said the driver, Norma Lerma, 26 Portola Avenue, lost control of the car when the accelerator pedal stuck.

She attempted to shift to low gear in order to slow the vehicle, but put it into reverse instead.

The car sped backwards and struck a vehicle parked in front of Nine Portola. The parked car belonged to Michael Rengstorff.

Two persons were injured in another accident at the intersection of Bayshore Freeway and San Mateo Avenue.

Police said a car driven by Clyde William Henry of Redwood City, collided with the vehicle of Gayle Claus, 128 Cherry Avenue, South San Francisco, about 4 p.m.

Both the drivers were admitted for treatment at Kaiser Hospital in South San Francisco.

Jefferson Head Start Program Set

When the "big kids" foresake erasers and books for swimming and games, it's time for the "small fry" who have been at home to have a taste of school before they begin kindergarten in the fall.

Jefferson Elementary School District will operate an eight week "Headstart" program starting July 17 for children in Daly City and Colma who are eligible for kindergarten in the fall of 1967 and whose families meet certain income limits. Income limits are requred because the money that supports the headstart program is federal tax money appropriated under Title I of the Economic Opportunity Act. The children must be between the ages of four and a half and six. They must reach the age of five by December 2, 1967.

The four-hour program consists of breakfast, free play activities, planned activities (indoor and outdoor), field trips, visits from helping people in the community (i.e. policemen and firemen) and snacks. In general, it is an opportunity for the youngsters to know each other, play together and get ready for the real school experience ahead.

For registration information, call Mrs. Clara Arnesen, head teacher or Mrs. Marlene Connelley.

S.F. Youth Jailed Here

A 19-year-old San Francisco youth was sentenced to 30 days in County Jail Monday for trespassing on school property—a violation of the Education Code for non-students.

According to police, Alfredo Batista and five companions attempted to force their way into a classroom at Westmoor High School on May 12 to stage a fight with another student attending classes at the school.

Athletic department teacher George McNutt confronted the youths in the school yard and detained them while police were summoned.

Police found an eight-inch switchblade knife on Martinez.

A search of Martinez' car parked near the school revealed several wooden clubs, with nails driven through, stored inside.

Trial was held in the Northern Judicial District Court on June 20 and Judge Paul Hupf pronounced sentence Monday.

D.C. Youth Will Receive Scholarship

Robert Matgen, son of Mrs. Shirley Matgen and the late Richard Matgen, 268 Verano Drive, Daly City, has received the annual Marian Council 3773 Knights of Columbus scholarship.

A recent honor graduate at Holy Angels School, Robert will use the scholarship to attend Riordan High School in San Francisco.

Formal presentation of the scholarship award will be made next month at the Past Grand Knights' dinner.

$98 Million Bond Issue for Airport

A $98 million bond issue for the improvement of San Francisco International Airport will be placed on the November ballot.

The board of supervisors approved the bond issue yesterday after George F. Hansen, general manager of the airport, reported that city officials have taken steps to solve their differences with minority groups.

Last week the NAACP warned that it would oppose the bond issue unless minority workers were assured a percentage of jobs in the airport improvement project and were assured equal employment opportunities among airlines and concessionaires at the facility.

Hansen reported that a position of compliance officer with the public utilities commission is practiced by contractors and to encourage companies operating at the airport to start training programs for minority workers is slated.

Supervisor Terry Francois, the board's only Negro, urged support of the bond issue. The expansion will provide for enlarging the airport garage, development of a north passenger terminal, creation of a 250-acre air car center and improved access roads, taxiways and runways. Airport revenues will pay for the bonds, with no drain on the city's treasury. A similar bond issue, for $95.5 million was on the 1966 ballot and failed by a narrow margin to win the necessary two-thirds vote. It was opposed by several minority group organizations.

Marine Hurt In Granada Cycle Crash

A young Marine was thrown from his motorcycle onto the back of a pickup truck when the two vehicles collided in El Granada Monday.

Highway Patrolman Amil Toscanelli said the Marine, Terry R. Howard, 20, was driving south on Cabrillo Highway and looking at the beach and failed to see the truck, driven by Gloria Jean Bettencourt, 26, of Half Moon Bay, enter the highway from Portola Road.

The motorcycle hit the rear of the pickup and Howard, who is stationed at Alameda Naval Air Station, was thrown into the air. When he landed on the truck, he grabbed hold of the left fender and was able to hold on until Mrs. Bettencourt got the truck stopped.

Howard was taken to County General Hospital for treatment of a fractured right leg and other injuries. Toscanelli said Howard's helmet probably saved him from more serious injuries.

D.C. Golfers Sandbagged On Course

Three Daly City golfers had an unusually bad fifth hole at Lincoln Golf Course in San Francisco Saturday.

Henry Martinez, Perry Hardwich and Charles Howard were teeing up for the sixth when they observed a neatly dressed young man approaching them from an adjacent fairway.

"Gentlemen," the young man said, "I'll have your wallets."

He pulled a pistol and a brown paper bag from his pocket, placed the wallets in the bag and strolled across the fairway and off the course. The wallets contained about $90.

The golfers reported the robbery to a security guard, after they finished the game.

Long Plunge, 2 Boys Live

(Continued From Page 1)

ished car. The seats had been broken loose during the fall, firemen said, and the trunk lid was broken open.

Tong was administering first aid to his sons, when the Pacifica Fire Department rescue team arrived. The children were hoisted up the cliff in rescue baskets.

They were taken to Mary's Help Hospital by ambulance and held overnight for observation.

A hospital spokesman, said their injuries apparently consist of only minor cuts and bruises, and both are reported in excellent condition.

KC Award To Daly City Boy

Marian Cocnicl 3773, Knights of Columbus, has awarded their annual scholarship to Robert Matgen, son of Mrs. Shirley Matgen and the late Richard Matgen, 268 Verano Drive, Daly City, and one of six children.

He was graduated with honors from Holy Angels School and will use the scholarship to attend Riordan High School in San Francisco. Formal presentation of the award will be at the Past Grand Knights dinner to be held in late August. Robert's older brother Richard also was a receipient of the award four years ago.

Fall Injures S.S.F. Worker

A South San Francisco electrician fell 12-feet off a scaffold at the old Western Asbestos building in Brisbane Industrial Park at about noon Monday and is reported in satisfactory condition at Peninsula Hospital with a fractured left leg, left knee and right heel.

Victim of the industrial accident was Jimmy L. Conn, 47, 143 Toyon Avenue, who reportedly landed on both feet. He is employed by the Schwartz and Lindheim firm of San Leandro.

Pacifican Heads Group

William P. Feeney of Pacifica, was elected Monday to the chairmanship of the newly-formed San Mateo County Board of Assessment Appeals. A. J. Gaggero of Daly City, was elected vice chairman.

The board, which will handle equalization matters formerly done by the County Board of Supervisors, scheduled its next meeting for August 18. Scheduled for that date are hearings on the application of Henry Doelger, for reduction in assessments signed four of his parcels on the coast. He claims that he did not receive notice of assessment increases last year, in time to apply for relief on last year's roll.

Also on that date the board will hear any applications filed in the meantime, by owners of property on the unsecured roll, which consists mostly of a lessee's interest in property he is renting.

Applications concerning secured property, which is mostly land and buildings, may be filed until September 15, after which hearings will be scheduled.

Perry Bygdnes of Redwood City is the third board member.

D.C. Motels Are Robbed

Two motels in the 3200 block of Geneva Avenue in Daly City were victimized by the same burglar in identical thefts Thursday night, police reported.

Officers said a young man checked into both the Vinmar Motel and the Towne Motel and removed a portable television set and a bedspread from each.

The man, identified as the same suspect from descriptions provided by the motel clerks, registered as James Ramoz at the Vinmar Motel and John L. LeRoy at the Towne.

He was described as a neatly dressed Negro male, 18 to 20 years old.

Total value of the property taken was estimated at $300.

S.S.F. Home Flash Fire

A South San Francisco man narrowly escaped injury Monday when a water heater pilot light ignited gasoline fumes as he cleaned a garage floor.

Firemen said a "flash fire" engulfed the garage at the home of Peter Rameriz, 586 Parkway, about 9:30 a.m.

He was using gasoline to clean the floor.

TWO-HEADED BUNNY??

ROBERT DONAHUE, 10, is preparing twin contestants in the San Mateo County Fair and Floral Fiesta's 4-H rabbit competition, July 31 through August 12. Robert, son of Mr. and Mrs. Robert Donahue of San Bruno, is a member of the San Bruno 4-H Club's rabbit division. His two California rabbits are representative of the work that is being done by all of the members of his and other 4-H clubs in the county in preparation for the upcoming competition. According to Mrs. Fred Kollere, San Bruno local 4-H leader, the youngsters hope to improve upon last year's impressive club showing at the Fair. In 1966, the club took home honors in four different areas.

Claim Coast Neglected By Sheriff

Residents on the Coastside are not getting their fair share of service from the sheriff's office, Chairman Jean Fassler of the County Board of Supervisors asserted yesterday.

She called for additional talks about the possibility of increasing the patrol service on the coast and establishing a substation there.

Her comments came at the close of a meeting in which the board adopted a new formula covering charges to be made when the sheriff's office provides extraordinary patrol servicts for cities or special districts. It was agreed that cities and districts will be charged a standard rate, with the total cost being determined by the amount of extra service they require. They will also get credit for what is computed to be the cost of the service they would get under ordinary circumtances.

County Manager E. R. Stallings said it is important to have a uniform basis for the charges because consideration is being given to the formation of a service district in the unincorporated area surrounding Portola Valley and Woodside. Both municipalities contract with the sheriff's office for police protection.

Representatives of the two towns told the supervisors they were satisfied with the new formula.

Mrs. Fassler declared that the "situation is not good" on the Coastside because there is no substation and because the sheriff provides only a minimal patrol service there.

'FUN CLUB SECOND SESSION

Third Fun Club session sponsored by Carlmont YMCA for boys 6 to 9 years old will begin tomorrow. The five-day program during the following two week period will include gymnastics, crafts and swimming under the direction of qualified UMCA leaders and advisors.

Information about the Fun Club programs for the remainder of the summer and reservations may be obtained by callnng the Carlmont YMCA office.

Pacifica Asks Transit Study

Pacifica city officials Wednesday announced the intention to "become more involved and make some recommendations" on routing of the proposed West Bay Rapid Transit system through San Mateo County.

Councilman Harland Minshew requested a discussion of WBRT at Wednesday's council meeting "in order to establish the city's position in the matter."

"If we don't make ourselves heard now, there is little doubt the State Public Utilities Commission will approve the Southern Pacific route along the Bayshore," Minshew said.

Bruno Youth Is Arrested

San Bruno police arrested a 16-year-old youth Thursday afternoon after he was spotted roaming around inside a home at 2831 Cottonwood Drive by a gardener.

The owner, Lloyd A. Silberstein, was reported vacationing in Arizona for the summer.

When the gardener arrived at the home late in the afternoon, he noticed the living room window open and the suspect walking around inside.

McCloskey Campaign Under Way

The campaign to elect Paul N. (Pete) McCloskey, Jr. to Congress from the 11th District was officially launched today at the grand opening of McCloskey's Redwood City headquarters, 601 Marshall Street in Redwood City. The event continued from 4 to 6 p.m. and was attended by several hundred supporters, community leaders and political representatives.

McCloskey's committee announced that, in addition to the Redwood City headquarters, other offices would be opened in San Mateo and the North County during the next two weeks.

In remarks prepared for the headquarters opening, McCloskey stated his basic campaign platform as follows:

(1) "It is my hope to bring fresh and new ideas to Congress with energy and experience which will benefit all of San Mateo County's residents and businesses. I have not been a professional politician, but it is my hope to serve ably and honestly, as did J. Arthur Younger, and to help restore the term 'politician' as one deserving of public respect and confidence.

(2) "As an ex-Prosecuting Attorney with considerable experience in prosecuting persons accused of crime, I hope to do everything I can to promote enforcement of our laws as well as a public respect for the courts and law enforcement agencies.

(3) "I am proud to be a Republican and to stand for the principie that governmental power should be invoked only when private effort have failed.

(4) "I will strongly advocate local rule wherever possible, believing in federal co-operation rather than federal control.

(5) "On the difficult issue of Vietnam, I regret that our sources of governmental information appear to be shrouded in confusion and doubt. I believe that grave questions exist as to the validity of past conclusions and decisions of this administration in conducting the war in Vietnam. Inasmuch, however, as our system of government has delegated the power over foreign affairs and military efforts to an elected commander-in-chief, I believe we must back up the President's commitment to protect the territorial integrity of South Vietnam until an honorable peace can be achieved.

WILDCAT IN WOOD

READY TO FIGHT — Post photographer Bill Koska happened onto the unusual oak tree limb shown above while roaming around the "outback" in Northern Calivo California. The "wildcat" is owned by barber Sol Stampl, who captured the "beast" while walking on Kiddie Mountain near his home. Although the wildcat cannot be killed with bullets, tiny oak beetles are slowly eating their way to the heart of the unusual conservaion piece.

BARBARA BLADEN

(Post Drama Critic)

Rates Laughter

You can always count on the Committee to be up-to-date. You can usually count on them to be ingeniously clever about throwing a poison dart somewhat near the heart of a politician or a political act and you can bet money on them using their versatile talents to make you laugh.

Their new revue, which opened at the 622 Broadway cabaret-theater on Wednesday lives up to that reputation and goes one better by adding such timely skits from this week's headlines as the Fonteyn-Nureyev caper which made the S.F. police department look like a band of baddies and gave the "love generation" from nearby happy-hippie-bury occasion to applaud new heroes.

Entitled "The Persecution and Assassination of the People of the United States by the People of the United States under the Direction of the People of the United States," or "People-People-People," (a takeoff on the Marat-Sade title), the two-part entertainment is less hell-fire-and-brimstone against the Establishment as it is a cross-fire diatribe of today's social conditions. We like it better this way, when they come off their soapboxes and dedicate themselves to broadening their basis of criticism and employ their wits to a wider spectrum of attack.

I'm one of those Committee devotees who laughs at everything Larry Hankin does, even when he's not talking. You know instinctively that what he's thinking is funny, or that he's liable to do will be the occasion for a healthy belly laugh, and in trio with Garry Goodrow and Christopher Ross, I find him irresistible.

☆ ☆ ☆

FOR THAT REASON, I'D CRITICIZE the new show for not using him more often, but then who would they replace? Certainly not Carl Gottlieb as the capitalist square who makes $45,000 a year selling computers and picks up beatnik hitchhiker Leigh French (who's going to Big Sur to take a bath) and then offers her a marijuana "joint" rolled into a cigar shape. While she's "turning on" in a $13,000 customized car with all the extras, he's relating how he got high in the service, and describes the experience of watching the flairs and machine gun fire light up the sky.

Nor would we want any changes in the Bavarian train ride where former German Army officer Roger Bowen asks an American Army major Garry Goodrow to explain what the United States is doing in Vietnam. The company's re-enactment of Margot (Leigh French) and Rudolf (Chris Ross) doing an impromptu ballet while passing a marijuana cigarette for their hosts Roger Bowen and Garry Goodrow dressed in Giants' caps and jackets during a surprise raid from "the heat," Carl Gottlieb and Larry Hankin is one of the highlights. AT least it gets the loudest reaction from a receptive audience.

They've fallen back on such cliched foibles as one senior citizen (Garry Goodrow) propositioning the woman (Leigh French) he's seen in the needlepoint class at the retirement community's craft classes. And while we hung on every tortured, twisted contortion of Chris Ross trying to convince army psychiatrist Larry Hankin that's he's too looney to be inducted, the tactic of the patient planting a big smooch on the doctor's lips at the end of the interview is a visual delight, but trite as a satirical angle.

SAMUEL CHANDLER

(Daly City Librarian)

A Celebrated Dish

"If pale beans bubble for you
in an earthen pot
in a earthen pot
You can decline the dinners
of sumptuous hosts."
Martial

At last there is a book to pay homage to the humble bean whose place in the world's basket has been overlooked.

From it we learn that beans were raised for food in ancient Egypt and Greece. It is said that the Egyptians built temples that were dedicated to beans. Aesop's country mouse told his city cousin, "better beans and bacon in peace than cakes and ale in fear."

In America where some people think of beans as poor man's food, bean soup has made its way into the hearts of the mightiest legislators of all time. Many years ago a very dignified and slightly belligerent Senator took himself to the Senate Dining Room for a dish of bean soup. Upon finding that it was not included in the menu, he rushed back onto the Senate floor to introduce a resolution to the effect that henceforth not a day should pass when the Senate was in session and the restaurant open that there would not be bean soup on the clendar.

☆ ☆ ☆

Religion counts for the use of beans in America. Puritan settlers seeking a food that could be prepared on Saturday and still taste good on Sunday learned the art of bean baking from the Indians. But native American ingenuity added such flavor agents as maple syrup or molasses. Soon people were eating beans everyday of the week.

As a food for the Sabbath, beans served the Ancient Hebrews as well as the American Puritans. It is said that the Israelites developed recipes that made bean eating a regular Sabbath day practice.

☆ ☆ ☆

From ancient times beans have been associated with armies. With beans in their bellies, the Egyptians and the Babylonians fought it out where now they are united against Israel. Washington's forces at Valley Forge were sustained by beans while the British grew fat and indolent on fancier fare in their quarters in Philadelphia. And Captain Jenks of the horse marines of the Mexican War boasted in song that he fed his horse on corn and beans.

Another Captain, Theodore Roosevelt, declared that he won the battle of San Juan Hill on beans. Still another military leader, a World War II hero, saved the beachheads of the Pacific by directing that waterproof bags of beans be floated from ships to feed the hungry fighters.

☆ ☆ ☆

"The Complete Bean Cookbook" by Victor Bennett is a treasure house for the reader as well as the cook. The first part of it is a piece called "Homage to the Bean" by Senator Everett M. Dirksen. The next part is a foreward outlining the history of beans and the food value they contain.

There follows six sections of recipes: hors d'oeuvres; soups; salads; side dishes; entrees and casseroles; bean bread, pastries and desserts.

How about beans and crushed pineapple baked in a South Pacific style, or black beans and rum, or fave bean bourgnigon with five seasonings and with mushrooms, carrots, onions, pork, beef and beans, of course.

Or perhaps you prefer orange cake made from soy bean flour, or cocoa creamed with soybean milk, or butter bean-ham chowder, or chilled cream of fresh lima bean soup.

For an appetizer try marinated lentrils or green beans and ham rolls, or sweet and sour bean salad, or puree of black beans with sour cream.

☆ ☆ ☆

As Mr. Bennett observes, "There is more to bean cookery than soup and baking."

"The bean," he adds, "has no peer among foods in the hands of an imaginative cook."

FRANK LAPIERRE

(Post Columnist)

BALLOT BOXING

LATEST ELECTION ROUND-UP being whispered over the local grapevine nowadays . . . As predicted, the election mess grows daily more complicated. Latest rumors have it that Assemblyman Leo Ryan ABSOLUTELY will not run (if Dolwig doesn't). And don't ask us what that means! D. A. Keith Sorenson tells us face-to-face he IS NOT running, while supervisors Jean Fassler and Bob St. Claire, are still smilingly not disagreeing with anyone. But there's an awful lot of pressure being applied to Mrs. Fassler who seems to have a lot of popular votes in these parts. Many demos. want her to run, and are ignoring St. Claire, for the time being.

It looks like "Mr. Popularity" right at the moment, however, is County Sheriff Earl Whitmore. Not only does he look good to the Republicans, but to the other side of the fence as well, our (well informed) sources tell us.

And so, Good Readers, based on what we have learned from a half-dozen "honest" leads, a dozen luncheons, and on slightly less than that number of local golf courses, it looks like the Final Battle will be waged between Whitmore and, as yet, unannounced candidate Jean Fassler. Look for the race to be staged around the middle of October!

If Fassler does win (and she has a better than average chance) this will leave an opening on the Board of Supervisors. Who Governor Reagan will appoint to this vacancy is anybody's guess — but like we said before, it'll likely be a local Republican and the same three names continue to lead the guesstimates — Bob Hunter, McRobert Stewart and Jim Grealish.

☆ ☆ ☆

ALTHOUGH THERE'S A LOTTA pressure on them, we'd like to see the Daly City Council get that Design Review Board and Commercial Office zone ball rolling. It's a real good thing for the city and will undoubtedly enhance the area around the new multimillily $$ Civic Center for years to come.

☆ ☆ ☆

WE WOULD LIKE TO HAVE only half the energy San Bruno's Chamber manager, Dick King, has . . . when he isn't buttonholing some unsuspecting newspaperman for publicity for the city, he's buttonholing some local businessman to plug the city. You can chalk up a new eye-catching sign at the entrance to the "Airport City" and a proposed downtown re-vamping to his credits.

☆ ☆ ☆

A LEADING SPOKESMAN for a group of Daly City senior citizens, last week told the D.C. council he was proposing to put tax moneys into a holding bank account and NOT pay concerned agencies. He told the council of this plan, while that elected body nodded agreement. Only Mayor Bud Lycett voiced disagreement with the plan to withhold legal tax fees by the senior citizens and recommended other methods to oppose the measure.

☆ ☆ ☆

HARD TIMES IN SSF? — Frank Vansteen, assistant city planner in South City, is off to the Georgia Institute of Technology — on his OWN time (vacation) and OWN expense, to help the city. Now we've heard of austerity programs, but really. . . .

☆ ☆ ☆

DALY CITY POLICEMAN Craig Martini may be out of work for a long, long time. And all because of a foolish accident last week. Seems Martini was showing off his weapon to three friends while off duty on the Old Coast Road, shortly after 3 a.m. (the day his new baby arrived) and the gun discharged. The slug smashed into his left arm, breaking the bone. Not only will the officer be off work for about six weeks while his arm mends, but he will likely get hit with a three-day suspension. Not to mention he may not be back to work if his arm doesn't heal correctly.

☆ ☆ ☆

D.C. COUNCILMAN Frank Pacelli once again postponed his now-famous "Hawaii Report" to the city council. Pacelli attended a meeting of U.S. Mayors on that faraway island last month and is now compiling all the facts concerning the trip. Proding from fellow councilman has so far failed to shake Pacelli loose on just what ALL THE FACTS are. (Inside joke).

THE D. C. SENIOR CITIZENS although allotted some $130 in last year's budget ONLY SPENT $30. Can you name a more frugle group of local citizens? And neither can we!

Study to Probe Use of 'Acid'

How widespread is the use of narcotics among the youth of San Mateo County?

How easily can LSD, marijuana and other drugs be obtained here? How much do they cost? What exactly are their effects, and what is their appeal to today's teen-agers?

A quiet, calm, relatively unpublicized inquiry — believed unique in its scope and its broadly based participation — is under way in the county to determine the answers to those questions, as well as to seek an answer to perhaps the most important question of all:

What can, or should be done about the situation?

The study, inspired by Juvenile Court Judge Melvin Cohn and organized by the San Mateo County Juvenile Justice Commission, is involving the dedicated efforts of some 40 adults and more than 100 youth.

Its aim, according to John V. Piotti, crime and delinquency prevention consultant, for the San Mateo County Probation Department, who is acting as project coordinator, is "to acquire knowledge not available now, besides pulling together information that exists only in fragmented form, so that we can present an honest, factual report on conditions in San Mateo County to the parents, eliminate present hysteria and misconceptions, and hopefully point the way for the future." Heading the inquiry as chairman is Eleanore D. Nettle, San Mateo housewife. Mrs. Nettle is a member of the commission and a trustee of San Mateo Junior College District.

Her appointment was announced by Judge Cohn and Landis Weaver, commission chairman.

"Under Mrs. Nettle's leadership," said Piotti, "we've been fortunate enough to obtain the voluntary services of concerned and knowledgeable people from many fields, such as law and law enforcement, education, psychology and psychiatry, news media, medicine, religion, sociology, business and industry, mental health and pharmacy.

"In addition, we've secured the participation of scores of representative high school students from all parts of the county."

Sub-committees currently are investigating specialized areas and are meeting at least once a Once their findings are completed, the full committee report will be undertaken. Its presentation to the public is tentatively scheduled for September.

Participants on the subcommittees are as follows:

Law — William Faulstich, Redwood City police chief, chairman) Landis Weaver, Menlo Park attorney and commission chairman, vice-chairman; James McKibben, San Carlos attorney; Keith Sorenson, district attorney; Gordon Jolnville, San Mateo police department juvenile officer; John McCormick, San Mateo County supervising probation officer, and Bruce Rivers, Pacifica Police Department juvenile offier.

Cause — Dr. Jack Downing, chief of the county's mental health services division, chairman; Harold Jones, East Palo Alto member of the commission, vice-chairman; Rev. Robert Botley, San Mateo Unitarian Church minister; Dr. Felton Freeman, San Francisco State College sociologist; Sgt. Ted Cole, Redwood City police department juvenile officer; Gordon Swan, county supervising probation officer; Laurie Cahill, Terra Nova High School counselor; William Walsh, College of San Mateo director of student activities; Dr. John Weakland, Palo Alto anthroplogist.

LORENE BEASLEY

(Better Business Bureau)

Students Lured

Many college students are lured each year by classified ads which offer summer jobs with implied fantastic salaries. The jobs are vaguely described as being a survey, an education or a public relations job.

A number of such advertisements are bait and switch ads placed by publishing companies to get college students to sell their encyclopedias door-to-door. The ambitious teen-ager, who had visions of making up to $10,000 when applying, finds himself wandering from city to city, working long hours for low and sometimes irregular pay.

THE COMBINED EFFORTS of Better Business Bureau, Central Registry and the Subscription Book Plan, a trade association of ethical magazine and bookselling companies, are working to reduce the number of such crews. Franchise owners and branch managers of the magazine subscription industry recently met with the four Bay Area Better Business Bureaus to study the problems of promoting customer goodwill and ethical selling practices. They plan to confer monthly with the police departments on problems of magazine sales presentations, collection procedures, identification of solicitors and the prompt delivery of magazines ordered.

Hundreds of eager ambitious students will continue to answer this type of an advertisement to sell magazines, vacuum cleaners and other appliances as long as it continues to run in local papers. Trainees report they have to take a week or more of company training at their own expense. Many report no further mention of the advertised high salary, but an emphasis made in commission selling. If the trainee should insist upon a set salary, he is either discouraged by a mandatory high quota or is dropped from the program with the explanation that the company handle only one type of a salary, the commission basis salary.

COMPANIES using this method of advertising and "canned" sales talk defend their practices by pointing to the high commissions earned by successful college student salesmen.

A certain percentage of students will never be successful door-to-door salesman, and by the time they learn this fact, it is generally too late to start hunting for another summer job. Better Business Bureau hopes that, with the co-operation of an enlightened citizenry, some day such advertising will be entirely eliminated.

Design Awards

The new family of highway bridges on the Junipero Serra Freeway was cited for an "Award of Excellence," by the Portland Cement Assn. in its program to recognize excellence in the structural and artchitectural design of bridges built in California.

The award will be presented, July 18, as part of the ceremonies opening to traffic, two projects extending the Interstate Route No. 280 freeway, nine miles in Santa Clara County. The ceremonies will take place at the El Monte Road Interchange near Foothill College in Los Altos at 10:30 a.m. It will be followed by a luncheon at Foothill College, sponsored by the Chambers of Commerce of Los Altos, Cupertino, Mountain View and Sunnyvale.

Citation of these bridges, which will eventually number some 70 structures. between San Jose and San Francisco, was the result of sponsorship by the California Roadside Council, which submitted the group of bridges for consideration in the PCA's continuing program.

Designed by the Bridge Department of the California Division of Highways, these structures were cited for the creation of a new look, incorporating curved soffits to soften the lines of large concerte structures, blending them into the terrain. The functional use of the integrated form to reduce the necessity for hardware at bridge approaches and the use of a variety of forms and shapes for supporting columns and bents were other new outstanding features of the structures that were cited.

These first structures of this type were built on the projects between Stelling Road in Cupertino and Page Mill Road near Palo Alto. They include the interchanges at Foothill Boulevard, Magdalena Avenue and El Monte Road, undercrossings at St. Joseph Avenue, Robleda Road, La Barranca Way, Elena Road and Arastradero Road.

Other structures in this family of bridges, are now under construction on various projects in San Mateo and Santa Clara Counties and will be opened to traffic as these projects are completed over the next several years.

The Portland Cement Assn. inaguurated a continuing program to encourage imagination and creative thought in the economical and aesthetic design of concrete gridges at the beginning of the year.

The program includes all types of bridges — highway, railway and pedestrian — in which the basic structural system is concrete.

OUR OPINION

Please, Not So Loud

Scientists are becoming increasingly concerned about the harmful consequences of noise. Dr. Vern O. Knudsen, physicist and a former chancellor of the University of California at Los Angeles, says that "noise, like smog, is a slow agent of death." Dr. Lee E. Farr of the University of Texas School of Public Health says that noise can be a "triggering agent" for ulcers, allergies and mental illness.

Besides deafness, noise causes nervous tension and irritability.

Principal sources of outdoor noise can be readily catalogued. The airplane, the worst offender, will get more offensive with the coming of supersonic craft.

Both Drs. Knudsen and Farr advocate better residential soundproofing as one means of reducing the torment. The National Association of Home Builders has found that home buyers are willing to pay as much as $800 more for a soundproof house.

Noise abatement will not be easy to achieve. One problem, Dr. Knudsen says, is people. They can generate a lot of decibles unassisted. Telling them that loudness is lethal is going to be about as effective as telling smokers cigarettes can cause cancer.

Girl Scouts Prepare for Annual Outing

D.C.-Colma Girls Set For Camping

More than 150 Girl Scouts, 40 "Pixies," and 45 adults have enrolled for the Daly City-Colma Day Camp to be held next month at Camp Ida Smith.

This year's camp will be the largest ever held by area Girl Scouts at this campsite, according to Day Camp co-ordinator Mrs. David Hatfield.

Approximately 65 per cent of the campers who participated in last year's season have registered this year, she said.

The camp activities program will stress the seven basic Girl Scout skills: good manners in the out-of-doors, appropriate dress for the out-of-doors, tieing the square knot and clove hitch, use and care of a knife, simple first aid, fire building and cooking out-of-doors.

A special program on outdoor safety will also be offered, and Mrs. Elsie McLaren of the Daly City Recreation Department will teach folk dancing.

The San Francisco mounted police will give a demonstration on horse safety, and an area lapidarian will exhibit a rock collection and teach nature lore.

Arrangements have also been made for two guitar players to lead the Scouts in campfire sing-alongs.

The Day Camp staff includes Mrs. James Morino, director; Mrs. David Parker, assistant director; Mrs. R. M. Mambert, business manager; Mrs. Denise Schwarzbach, shopper; Mrs. Agnes Mahoney, nurse, and Mrs. Aileen Katapodis, registrar.

Camp dates are July 31-August 10.

MAUREEN SHAYZEN, right, a Daly City Girl Scout, receives instructions in the proper use of a pocketknife at a San Francisco Bay Girl Scout Camp. The instructor is Mona Williams, Girl Scout State College.

High Sierra Scout Camp Site Changed

Deep snow and cold weather have forced officials of area Boy Scouts of America, to change locations for the High Sierra camp, Kit Carson, this summer.

According to Tom AuClair, camping and activities chairman of the San Mateo County Council, the camp operation will be on the shores of Twin Lakes on Highway 88 near Carson Pass, rather than at Little Twin Lake, which is inaccessible because of snow.

At Twin Lakes, the camp had been located for over 40 years, prior to 1966, when it was moved to Little Twin Lake, 20 miles south east of Twin Lakes, in the Blue Lakes basin.

Over 200 Scouts and adult volunteer leaders are expected to utilize the camp in the next two months. Several members of the staff are on the site preparing facilities to receive campers July 30.

According to reports from the camp, there is still considerable snow around, but troop sites will be cleared.

Church to Conduct Talk On How to Stop Smoking

A free clinic with expert counseling for persons who wish to stop smoking, is being conducted in Pacifica this week by the Seventh Day Adventist Church.

Entitled "A Five-Day Plan to Stop Smoking," the program is described as a "comprehensive assault on the smoking habit."

Methods employed include lectures, group therapy, films, the "buddy system" and written material.

J. E. Bynum, director of the project, said it is not a religious program, but stresses such approaches to the cigarette problem as the physical effects, exercises in strengthening will power, and methods of lessening the physical craving for tobacco.

In conjunction with the smoking clinic, a seminar on a related problem, weight control, will also be conducted. The weight control programs will be presented by Dr. Chester Wong and Dr. Wesley Scott.

There is no admission charge, Bynum said, but contributions to help defray material costs will be accepted.

We'd like to give you a day in the Santa Cruz Mountains. A day you can do anything at a place where just about anything can be done. You and your family can sun and swim, play volleyball and badminton, or just relax in the redwoods and discover privacy is still possible. You can char a steak, eat outdoors, or sip a drink before a blazing fire in the clubhouse. Whatever it is, at Western Hills you can probably do it because we have the facilities to let you do it. From a stable of 30 horses, to pool and Ping-pong tables, to overnight cabins and well-kept campsites, to even a pond loaded with trout, this mountain Shangri-La is unequaled for recreational possibilities.

So see it yourself. And if you decide you'd like to come back again, you can. You can by joining this unique, private club with a small initiation fee, then paying only $50 annual dues. $50 for a breath of sunshine. For you and your family, its got to be worth it.

MORE SEATS

from San Francisco to the Orange County, Disneyland Area

Air California again increases its service

*Lockheed L-188 Electra Aircraft operated by Air California.

Most airlines advertise "flights." But most people don't hire an entire airliner for a simple trip to the Orange County/Disneyland Area. Since all but a very few passeners require just one seat to sit in, we thought we'd let you know that Air California now flys 1600 seats per day, Mondays through Thursdays between San Francisco and Orange County Airport. On Sundays the total is 1450. And on Fridays the number swells to 1780. These seats depart conveniently throughout the day and night.

AIR CALIFORNIA

YOUNG PEOPLE of Our Lady of Perpetual Help Church will hold Teen Club meetings each Sunday night beginning July 23 at the church on Wellington Street in Daly City. Father Kutches, left, is moderator for the group. Other officials, left to right, are Rich Hall, president and Bonnie Balestreri and Donna Ricci, college advisors. The meetings will feature music programs and other recreational activities, and all interested young people are invited to attend.

Registration For Hebrew School

Registration for the Hebrew School of the Peninsula Temple Beth El fall class sessions began this week.

The classes will be under the direction of principal Miss Mary Anne Freiheiter, and the program is under supervision of the Bureau of Jewish Education of San Francisco, Marin County and the Peninsula.

The fall class sessions will begin Sept. 11 and 12.

Class preference will be based upon a "first come, first served" basis, Miss Freiheiter said, and children from the fourth grade up will be accepted.

Vacation Bible School

'Ecumenical' Bible School Next Month

The Broadmoor Presbyterian Church will sponsor an "Ecumenical Vacation Bible School" at the church Aug. 21-Sept. 1.

A number of local churches will participate in the project, which will offer activities for children 4-14.

Classes will meet 9:30-11:45 a.m. Monday through Friday. Cost of the program will be $2 per child, or $5 for three or more children in the same family.

All children interested in attending should be enrolled prior to Aug. 15.

The theme for the kindergarten group activities will be "Friends Around Me." Study subjects for the older groups will include "The Family in the Community," "Bible Lands and Times," "The Life and Work of Paul" and "The Bible in Today's World."

In addition to the study sessions, there will be games, refreshments, singing and crafts.

Mrs. Stuart Hoppin and Mrs. Robert Mattson are co-directors of the program for Broadmoor Presbyterian. Coordinators from other churches include Mrs. Roger Murray, Wesley Methodist; Mrs. George Loewenstein, Grace Presbyterian, and Mrs. Howard Bryant, Second Baptist Church of Daly City.

Westside Pastor To Direct Camp

Westside Baptist Church's pastor, Rev. A. David Donnelly will direct the annual Senior High Camp at the California Baptist Church gathering at Hume Lake Conference Grounds again this summer.

High school and junior high youths from 24 Northern California Baptist Conference churches will convene at the Ponderosa and Meadow Ranch camps for the week of outdoor activities beginning July 22.

Theme for this year's camp will be "Complete in Him," Rev. Donnelly said, and the Rev. Emil Authlelet, pastor of the First Baptist Church of Taft, will be camp pastor and speaker.

Other laymen and officials of the Westside church will also participate in the camp activities.

Ed Brunzell will serve as director of activities, John McDaniels will be a counsellor. Alton Swedberg will serve as choir director and counselor and Mrs. Roberta Brunzell will be pianist.

Westside youths attending the camp are Alex Reid, Bob Sedberg, Mike Navarro, Rodger Hillerstrom, Dave Pollock, Paul Donnelly, Bob Besser and Troy Reid.

The junior high camp will be directed by the Rev. John Hanson, pastor of the Fairfield Baptist Church.

Principal Is Speaker

Irving Katuna, Temple Judea's religious school principal, will address the congregation at services beginning Friday at 8:30 p.m.

Katuna was engaged at San Francisco State College last year as associate professor of education and is now on sabbatical leave from the San Francisco School District in order to complete his doctoral studies at the University of California in Berkeley.

He has written many magazine articles and has had them published in such magazines as "The Journal of Negro Education" and "The American School Board Journal."

Lutherans Will View Special Film

A motion picture, "Marriage Is for Keeps," will be featured at a special summer event for families July 23 at Bethlehem Lutheran Church in Pacifica, Duane Aasland, chairman of the churches education committee, said today.

The film, to be presented at 7 p.m. in the church sanctuary at 533 Hickey Boulevard, will be preceded by a pot-luck dinner in the church basement.

The community is invited to attend both the film presentation and the dinner.

Bethlehem Lutheran Church has worship services during the summer months Sunday mornings at 9 and 11. Sunday school is at 10 a.m.

Sunday Sermon Message Told

The Rev. Walter Stram, minister at Peninsula Church of Christ in San Bruno, will present a sermon entitled, "The Christ of Love Gets Rough on Hypocrisy" at the 11 a.m. worship hour Sunday.

Bible classes for all age groups will begin at 9:45 a.m. Sunday.

The congregation is now meeting at the new location at West Angus and Masson in San Bruno.

All-Star Slight

ALL STAR NOTES: Probably the most surprising aspect, to us, of this year's All-Star game, is how lightly Giant fans and the Giant organization took the snubbing of Mike McCormick.

And what almost everyone seems to forget is that National League Manager Walt Alston, had a chance to rectify his original mistake when one of the players—we forget who at the moment — had to drop out, which left Alston another open spot. So he picked Phillie lefty Chris Short, just off the diablsed list and with only a 5-2 record.

"I needed another left-handed pitcher," he said.

When he was reminded of McCormick, his excuse was that McCormick didn't have an 11-3 record when he picked the pitchers. No, he didn't. It was 10-3 — or maybe 9-3, at worst.

What really hurt is that it wasn't just Short whom McCormick had outpitched. Only Juan Marichal on either team had more wins (12) than McCormick. Only four others on both teams (Claude Osteen, Ferguson Jenkins, Dean Chance, Jim Lonborg) had as many wins. Only three National Leaguers (Marichal, Short, Tom Seaver) had better earned run averages than Mike, and McCormick's won-lost percentage was bettered only by the American League's Jim McGlothin (8-2).

McCormick clearly, as the saying goes, got the shaft. Yet hardly a soul, including McCormick, put up more than a mild protest.

Other things noted about The Game: Orlando Cepeda not using the now standard trapper model first baseman's glove, but the "old-fashioned" first baseman's mitt . . . Pee Wee Reese borrowing Russ Hodges' "bye bye baby" when Tony Perez hit his homer . . . Two localites playing in the game, one a virtual native, the other an adopted son — Jim Fregosi (born in San Francisco but raised in San Mateo) and Tom Haller (a Midwesterner who's now a permanent San Mateo resident.)

OTHER BASEBALL NOTES AND THOUGHTS to remind you that you DO read things in At the Post first, despite the difficulty of "scoops" in a weekly column, two items from a recent Giants' Boosters Club luncheon.

Giant coach Charley Fox noted that, despite their low stolen base total, the Giants DOhave some good runners, namely Ollie Brown, Willie Mays and Tito Fuentes.

Practically the same thing we said several weeks ago, only we included on our list Jesus Alou.

☆

And then about two months ago we did a piece poking fun at baseball "experts" who try to make signals into an art form when in reality, we pointed out, there are only four basic signals which are not often used and which must be simple because not all athletes have the minds of computer programmers.

Naturally, we drew the fire of every amateur baseball expert in the area. But this is what Fox said:

"The Giants most often use only three signals; the take, hit and run, and bunt."

He went on to admit that all signs are simple and that three-fourths of all the secretive looking calisthenics third base coaches preform, are purely for effect.

"Signs have to be easy," he said. "If we made them too difficult, nobody would be able to understand them."

A good Giant omen may be hidden down in their seventh and eighth spots in the batting order. At All-Star break, Hal Lanier and Tito Fuentes, hittin 2.115 and .175, respectively, had nevertheless batted in better than 50 runs between edge a pennant winning team requires.

☆

In our day, a ball player never got a "day" until he was about to retire or financially insolvent, but we read where friends of Gary Nolan, the just — 19 Cincinnati pitching sensation, are giving him a day at Candlestick. If he is NOT two things in this world, Nolan is insolvent. It is indeed youth's not about to retire or financially insolvent. It is indeed youth's world.

If you're ready for a doozer of a statistic, grab this one: Harry Heilmann has the highest batting average of all, multiple-batting title hitters for the years in which he led in hitting — .397 for four titles. Rogers Hornsby is closest, averaging .395 for his seven batting championships.

And Philadelphia's Dick Hall throws more like a sissy, than and professional ball player we've ever seen. Fortunately, he's 6-6, weighs 210, and has he-man pitching statistics.

☆

OUT OF SEASONS STUFF: Jim Taylor, we read, has found that there isn't as much loose loot floating around as he thought. When he announced he was playing out his option with Green Bay, one could almost see visions of half-million dollar checks dancing over his head.

But Green Bay called his bluff and let him run his option out. So now he is, by golly, playing for New Orleans as he had threatened, but for about the same salary, it is reported by Taylor himself, he had with Green Bay. The only real difference will be that he won't have those mammoth Green Bay blockers busting open holes for him.

With so many professional football teams now operating and with pro football scouting so fantastically organized, the days of the "sleeper" — of the Joe Perrys and Johnny Unitas's — appear gone forever.

The American Basketball Assn., made a large stride forward last week when they instituted the three-point field goal for shots taken beyond 25-feet, a measure we've long advocated as the only practical way to perpetuate the little man in pro basketball. And besides, it's more exciting.

LOCAL NOTES: Terry Christman, former Westmoorite, now playing first base for Jacksonville, the Mets' entry in the AAA International League, became a father for the first time on June 19. No, it will not be a baseball player unless she plays in Pacifica's recreation department sponsored ladies' softball league.

Baseball in Pacifica, incidentally, is thriving. Besides Little League Babe Ruth League, the usuaul recreation department teams (hard and softball — including those ladies) and Lou Lorenz's semi-pro Invaders, there's now the Joe DiMaggio League. Additionally, Terra Nova baseball coach Al Figone's entered his boys in two leagues, and as American Legion Post No. 238, the summer Tigers are leading the Varsity Baseball League.

Like father, like son. Gary Hernandez, who's leading that Legion team in hitting, is the son of Johnny Hernandez, former Yankee chattel who was, before his eyes went on him, one of the Yankees' most promising farm hand hitters.

Golf, it seems, is also thriving, or about to thrive, in Pacifica. The Coastside Driving Range opened two weeks ago, and there are plans for another range — pending Planning Commission approval — on Pedro Point.

Ten-year-old Pacifican Richard Motylewski, made a big splash (oh, why must we succumb to temptation) recently in an AAU swim meet at Crestmoor High in San Bruno. Entered unattached, Richard swam in six events, taking a first in the 50-yard butterfly, a second in the 100-yard Individual Medley, fourth in the 100-back backstroke, and fifth in the 100-yard breaststroke.

D. C. League Standings

The Falcons continue to lead the Eighth Grade Division of the Daly City Recreation Department's summer league, and the Sharks are out front in the Seventh Grade Division.

The Gales, with only one game under their belt, lead the Sixth Grade teams, and the BYS Astros are ahead in Fifth Grade standings.

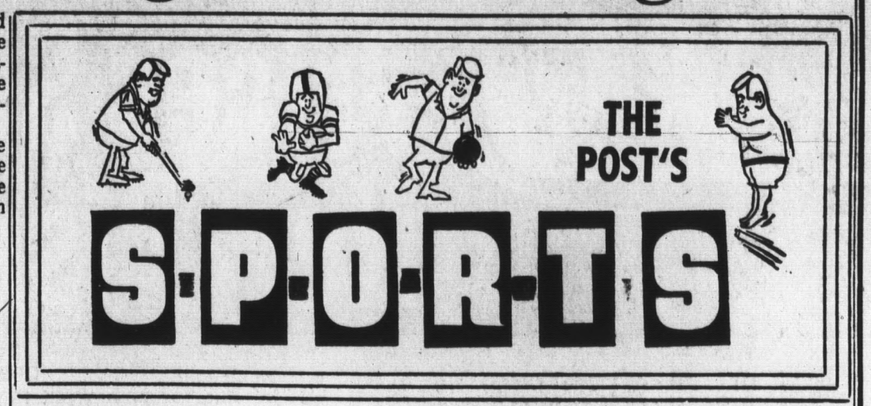
Swimming Meet

An AAU sanctioned class "B" swimming meet will be held Saturday and Sunday, at the Terra Nova High School pool in Pacifica.

Sponsored by the Pacifica Sea Lions Swim Club, the meet will begin at 9 a.m. each day.

Admission is 50 cents for adults and 25 cents for children under 12.



Padres, Mounties Share Pacifica Baseball Lead

The Padres continue to share the lead in the Pacifica Skyline Baseball League this week, in spite of an 8-5 defeat at the hands of the Mounties.

Leading hitters for the Mounties in the upset victory were Bob Brennan and Dave Hinds. The Padres' leading hitter, Carle Welch, was absent from the game.

In other league action last week, the Bees swamped the Oaks, 12-2, behind the strong hitting of Derek Tucker and Roy Huff.

Rnady Stephens and Jeff Santamaria lead the hitting for the losers.

The Rainiers quickly capitalized on the Padre loss, walloping the hapless Seals, 13-4, to gain a share of the league leadership.

It was the sixth loss in a row for the losers.

Vic Torres got five hits, including two doubles and a triple, for the winners, and Mark Kenneally and Mike Briones led the hitting for the losers.

Mark Anderson is leading the eague in hitting at .846, followed by Steve Wilinson, .842; Vic Torres, .826; Derek Tucker, .782; Bill Robinson, .763, and Jim Merrick, .708.

Time Change

The Daly City Recreation Department has announced changes in the schedule for the Boys' Sports Clinic at Marchbanks Park.

Meeting days have been changed from Monday, Wednesday and Friday to Tuesday, Wednesday and Thursday, 10 a.m. to 12 noon.

The changes were necessitated by maintenance activities at the facilities, a department spokesman said.

FRED TAUTENHAHN
FRED'S WESTLAKE SHELL
505 SKYLINE DRIVE

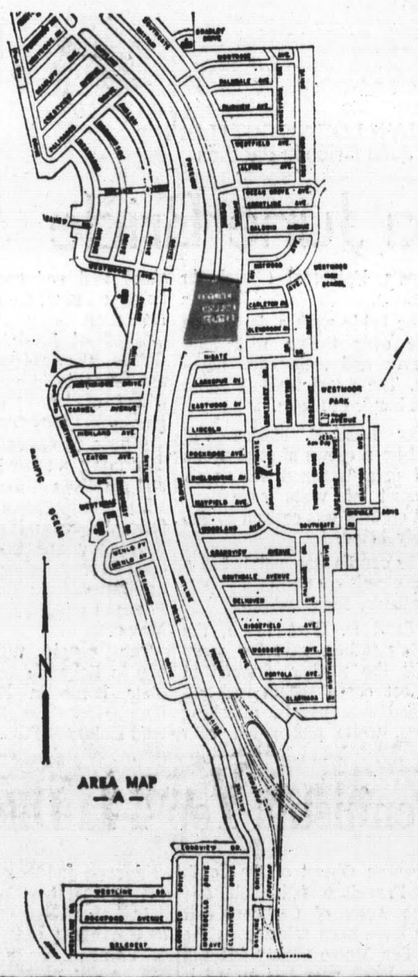
Fred is celebrating his 4th anniversary at Fred's Westlake Shell by having a fantastic bonus blue chip stamp offer.

Fred's Westlake Shell is known county-wide for its weekly specials on Goodyear tires, batteries and accessories. Also available is complete towing service made possible by Fred's recent purchase of a $7,000 wrecker. A full-time mechanic is on duty. Complete automotive parts are stocked to meet all emergencies.

Currently thousands of Fred's customers are enjoying the benefits of playing Shell's famous Americana game. Fred reports that in the first three weeks there have been 84 winners totalling over $600 in cash prizes.

In addition to this, Fred's customers also receive blue chip stamps with each purchase plus bonus stamps with each purchase. All of this by just driving in and buying gasoline.

Fred is also president of Skyline Plaza Merchants Association, past treasurer of Daly City Junior Chamber of Commerce, and has been an 11-year resident of Daly City.



SKYLINE AREA

Residents of four communities — Daly City, Pacifica, South San Francisco and San Bruno — shop at Skyline Plaza Shopping Center.

There are many reasons for this, one of them being the wide selection of goods and services offered by the friendly merchants who are always anxious to assist you. Another reason is the fact that most of the stores are open Wednesday and Friday evenings until 9 o'clock.

26 STORES ranging from a bank to a delicatessen can be found in Skyline Plaza. What's more important, there is always plenty of free parking in the huge parking lot.

MISS CONSTANCE LARSON, G. K. SCOTT PHILLIPS

Rotarians Host

For the third year, the Rotarians of Daly City hosted some twenty handicapped children at the San Francisco Giants baseball game.

The group was under the direction of the United Cerebral Palsy Association of San Mateo County.

The children enjoyed the ball game, and were treated to lunch and given souveniers of the game.

A chartered bus was provided by the Rotary Club, specially equipped to handle some youngsters in wheelchairs.

Larson-Phillips August Nuptials

Mr. and Mrs. Clifford D. Wright of Conrad, Mont., this week announced the engagement and approaching marriage of their daughter, Miss Constance L. Larson of South San Francisco, to G. Scott Phillips of San Anselmo.

The couple will exchane vows August 24 at the First Methodist Church of San Rafael, with the Rev. Philip F. Whitmer officiating.

Miss Larson is a graduate of Great Falls High Scohol, and attended Anderson College at Anderson, Ill.

The bridegroom, son of Mr. and Mrs. George F. Phillips, who are presently on government assignment in Bankok, Thailand, attended Miami University and the University of California at Berkeley.

He is a member of Phi Delta Theta, Theta Tau, the Land Executors Association and the American Right-of-Way Association.

The couple will reside at 721 Las Colindas, San Rafael.

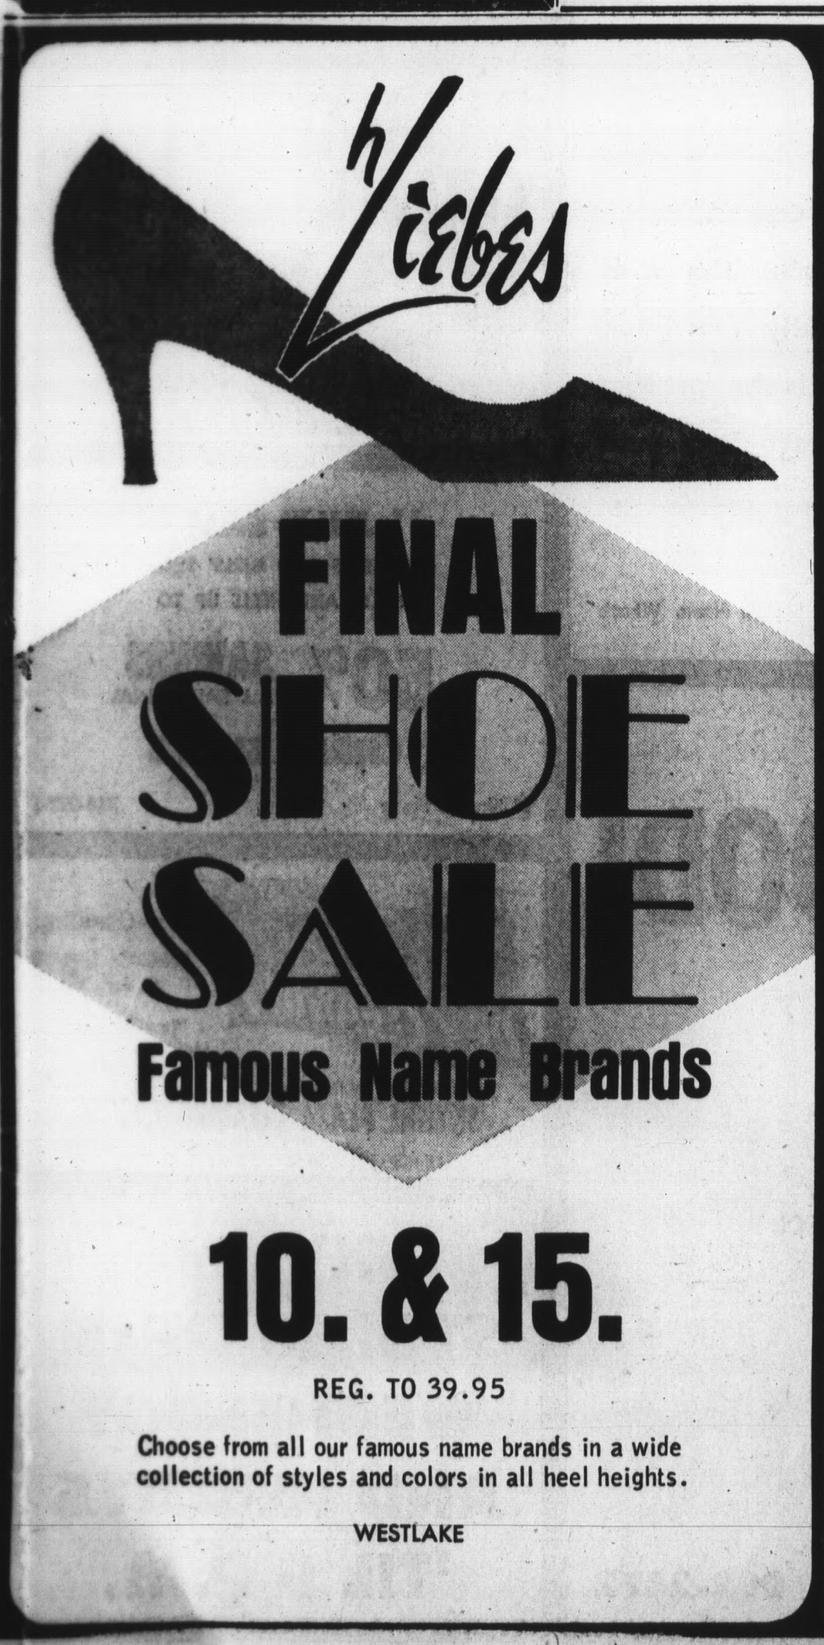
County Woman Scored an Ace

Mrs. Nancy Prindle of San Bruno, scored a hole in one at Deep Cliff Golf Course in Cupertino Saturday, acing the 134-yard eleventh hole with a four wood.

Witnessing the ace were her husband, Roy Prindle, and Bud Austin.



Family Life

Vivian Rhea Is Married

Five attendants preceded Vivian Margaret Rhea to the altar of the Main Post Chapel at Treasure Island Naval Base Saturday evening when she exchanged vows with Frederick Paul Canihan.

The bride, the daughter of Col. (ret.) and Mrs. Robert L. Rhea of South San Francisco, was given in marriage by her father. She wore a floor-length gown of silk organza with lace appliques trimmed with pearls. Long sleeves and a detachable chapel - length train completed the ensemble. A double crown held her elbow-length veil and she carried a cascade of two dozen white roses.

Her mother chose a floor-length gown of turquoise with beaded collar and cuffs. Her bouquets also was of roses. Mrs. Canihan wore a long dress and coat ensemble of gold brocade and pinned on a white orchid.

Carolyn Riddervold of Orinda served as honor attendant for Vivian in an Empire melon-colored gown with chiffon sleeves and train. Similarly attired were the bridesmaids, Carol White of San Mateo, Cecelia Wolary of Millbrae, Annette Croxton of Redwood City and Rosemary Canihan of San Bruno, sister of the benedict. They all carried carnations dyed to match their gowns.

The benedict, the son of Mr. and Mrs. John Canihan of San Bruno, was attended by his brother, John Canihan Jr., as best man. Seating the guests were Michael Canihan, another brother, Fred Lonas, Lee Wolary and Bill Sparks, brother-in-law of the benedict.

Vivian attended San Jose State College and Monterey Peninsula Junior College and is a member of the National Secretaries Association. Her husband attended Capuchino High School and the College of San Mateo and now is employed as a data processor. He has two other sisters, Mrs. William Sparks and Shirley Canihan.

After a reception at the Casa de la Vista Officers' Club at Treasure Island, the couple left for a wedding trip to Los Angeles. For traveling, the new Mrs. Canihan chose a light beige three-piece knit suit. They will live in Redwood City.

The Dennistons To Live in S.F.

At home in San Francisco after honeymooning in Hawaii are Mr. and Mrs. William Robert Denniston Jr. (Mary Angela Ansaldi) who married recently at Star of the Sea Catholic Church.

The bride is the daughter of Mr. and Mrs. Valdemar Ansaldi of South San Francisco who hosted the reception at the House of Lawton. Her husband is the son of Mrs. William R. Denniston and the late Mr. Denniston.

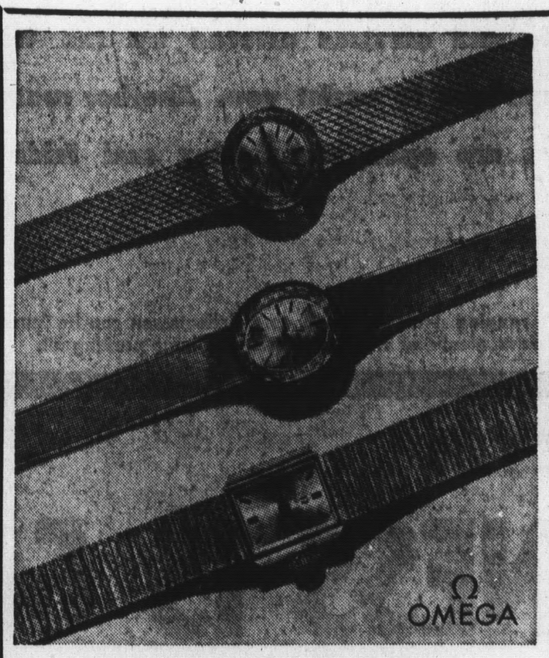
Mary recited her vows in a long gown of organza over peau de soie appliqued on the bodice and sweeping train with English lace. A jeweled headpiece caught her fingertip veil.

The four bridal attendants wore long, pale green chiffon.

Beverly Brown was the honor attendant and Laraine Boucher and Joyce Denniston, William's sister, were bridesmaids. Marilyn Hammond, niece of the bridegroom was the flower girl, and her brother, Robert, served as the ring bearer.

Keith Hamblin performed best man duties, and ushers were Mike Ansaldi, John Ireland, and Curt Sorenson.

Among the wedding guests were Mrs. Anton Eberle of Spokane and Mr. and Mrs. Erdinano Ansaldi of Palm Springs, aunts and uncle of the benedict.



Beauty is More than Skin Deep

One glance tells you these fashionable new Omega watches are beautiful. But, beneath that beautiful face beats the heart of a true thoroughbred.

To be sure, Omega costs a little more than ordinary watches. But, when you own one you'll know, it is no ordinary watch. All in 14k gold with matching bracelets.

Round Omega features facet-edged Sapphette crystal, mesh bracelet. $235.

Oval style. Sapphette crystal is impervious to scuffs and scratches. $265.

Rectangular model with beveled edges features mesh design, bark-textured bracelet, $250.

MARILYN LOUISE GOTTLIEB
June Bride in Pacifica

Pacifica June Bride

Marilyn Louise Gottlieb was married to James M. Monares of Daly City June 24 at St. Edmund's Episcopal Church in Pacifica.

The bride wore a daisy lace cage over taffeta with long sleeves and satin cowl neckline. The panel train of same lace banded in satin.

Her bouffant illusion veil held by a crown of stephanotis and pearl-trimmed veiling. A bouquet of white carnations and orchids was carried by the lovely bride.

The couple was married in a double-ring ceremony performed by Reverend Sims.

Alland D. Gottlieb, the bride's father, gave her away while the mother, dressed in apricot crepe sheath with attached side panels, matching shoes, white pillbox hat with short veil and two pinned on beige cimbidium orchids, looked on.

Maid of honor was Karen Girton, the bride's cousin and the bridesmaid was a college friend of both the bride and groom — Cathy O'Neil.

A gala reception followed the ceremony attended by friends and relatives of the newlyweds.

The bridegroom graduated from Jefferson High School in Daly City and the College of San Mateo, while the bride graduated from Terra Nova in Pacifica and the College of San Mateo.

The couple will exchange trip to Colorado and will make their home in Fort Collins, Colo., where the groom will attend Colorado State University.

TEENS

ALL THOSE "grubby" teenagers you may have seen last Tuesday night don't always dress that way! It was just their way of participating in the theme dance at F. D. Roosevelt School. The dance, sponsored by the Daly City Recreation Department, included the Roof-Raisers and Telstars Junior Teen Clubs.

Judges chose Larry Tuttle as "grubbiest" boy and Stephanie Adams as "grubbiest" girl. Larry was especially humorous for he came as the "Red Baron" from "Peanuts." The two were awarded records for their efforts.

Winning the fast dance contest, with music provided by the "Harvard Lawn," were Roof Raisers' council members, Debbie Russitano and Keith Thomas. They were also awarded records.

The 70 members and guests helped celebrate Vikki Tuttle's fourteenth birthday by enjoying delicious cake provided by Vikkie's mother. A special thanks goes to Mrs. Benz from all the members and teen club advisors.

The next activity for Roof Raisers and Telstars will be a band dance at Westmoor Park on Tuesday, July 25, 7 to 9 p.m.

☆

THE DALY CITY Recreation Department's Westside Teen Club's Battle of the Bands was a complete success June 27.

The "Flower Road" emerged victorious. The group includes Bill Fiege, leader; Karl Young, Mike Dodson, John Olson, Ed Williams and Frank Whilden. They will come back for the next dance to face a new challenger — "The Legendary Past.'

The winner of the band battles receives the privilege of coming back and being challenged by new groups. Members who wish to bring a guest to the July 18 dance must phone the Recreation Department between 3 and 5 p.m. the day before the dance.

☆

THE "CONTRASTS" battled the "Just Sound" band for three hours at the last Know Names Junior Teen Club Dance. The "Just Sound" won the battle and remains the Know Names Junior Teen champs.

The "Contrasts," with Bill DaMota, Fred, Jody and Mario Pereria, gave a tremendous battle to the finish, but the "Just Sound" came through in the final battle with the largest applause.

This Saturday, July 22, the Know Names, sponsored by the Daly City Recreation Department, are going on a beach party.

Don't miss this special summer excursion. Permission slips are required for attendance.

Cost for members is $1.25 and guests $2.

☆

MARCHBANKS PARK was the scene of much fun and excitement last week as Recreation Leader Donna Lindberg conducted a Treasure Hunt.

Winners included Jim McAuliffe, Brian Daly, Marco Vanzandt and Tina and Paula Gonzales. Coming events at Marchbanks includes a carrom contest and a strikeout tournament.

Peninsula Top 4-H Duo

Keverne Oberst of the South San Francisco 4-H Club and Bruce Actis of Carlmont 4-H Club have been selected as the 1967 San Mateo County 4-H All-Stars. Each year this award is presented to one outstanding boy and girl who have shown exceptional service to their club, community, and county and attained high achievement in the 4-H program.

Keverne is the daughter of Mr. and Mrs. John Oberst, 799 Grand Avenue, South San Francisco. She is in her eighth year of 4-H work. She has taken a wide variety of projects including clothing, food preparation, forestry, sheep, rabbit, and Junior Leadreship. She was 1966 Dress Revue alternate winner and served this year as 4-H camp chairman.

Bruce is the son of Mr. and Mrs. Al Actis, 313 Windsor Drive, San Carlos. In his fifth year of 4-H, he has been active with many projects such as forestry, beef, sheep, rabbit, poultry, food preparation and junior leader.

Keverne and Bruce will represent San Mateo County at the State 4-H All-Star Conference at the University of California, Davis campus, on August 21-25, 1967, with All-Stars from all over California.

KEVERNE OBERST

Westmoor Park Converts To Annual "Hobo Jungle"

Westmoor Park was turned into a Hobo Jungle for the park's annual Hobo Day. The day began early in the morning with all the youngsters coming as little hobos.

The high school boys, under the leadership of Tom Frates, began building the fire for the hot dog roast.

The wood for the fire was provided by James Martin and Mitzie Bipes. Taking top hobo honors for the girls were: first, Laurie Vincent; second, Steffie Vincent and third, Pam Valenzuela.

The leading hobo for the boys was Scotty Caplan. Second was Harold Caplan and finishing third was Scott Artigo.

Races followed the hot dog roast. Jim Frates took first, Tony Dekelaita, second and Tom Gibbons was third. For the girls: Steffie Vaincent was first, Carol Dekelaita, second and third went to Laurie Vincent and Joanne Valenzuela. Other outstanding participants were: Karen Lewis, Stacy Boggess, and Christopher Bipes. The event was very successful and fun was had by all.

The Westmoor Park Mets, the boys softball team, took two games from Daniel Webster by scores of 3-1 and 4-0. Rich Murray pitched fine ball for the Mets.

The hitting support was provided by Dan Geise, John Murray, Rick Matus, Teddy Grey and Larry Washington.

LOUANNE HEATH

(Family Life Columnist)

Science Award Winner

Just as Galileo's invention of the "magic glass" to study the skies opened a whole new avenue of adventure and learning, the age of rocketry has opened vast new horizons for careers in space. And Janet Johnson, one of Jefferson's 1967 honor graduates, is one of those who hopes to find a place for her talents in the space program.

A very talented young lady, Janet should experience little difficulty in acquiring the skills and technology that she will need for entry into her chosen field. She stood highest in her graduating class and received the Honorary Science Student Award for 1967, and in 1966 she was named Outstanding Chemistry student of the year. She was awarded a scholarship for entering students to University of California, The Bank of America award in English and the Daly City Chamber of Commerce Achievement award.

☆ ☆ ☆

A fine student in all fields but particularly in chemistry and physics, Janet feels she drew her greatest inspiration from Lloyd Silberstein.

"Mr. Silberstein was my physics and trigonometry teacher in my senior year as well as one of the senior counselors. He is an excellent teacher and a great person; besides, he has done a great deal for me personally as well as for many other graduates," Janet explained.

☆ ☆ ☆

In the fall she will start matriculating at U.C. where she plans to concentrate on math and science, in keeping with her ambitions to be a member of the space program.

Janet was born in San Francisco 18 years ago, the daughter of Mr. and Mrs. Carl G. Johnson and the descendant of pioneer residents of this area who came to Daly City in 1870. She attended Woodrow Wilson and Jefferson grammar schools and Colma intermediate school before coming to Jefferson High School. She has two brothers, Carl E., 20, and Gary, 15.

During her tenure at Jeff Janet has become an integral part of many groups. She was a member of the California Scholarship Federation and was active in the tutorial program it sponsored; she was a member of the Spanish Club, the French Club, the Wildlife and Conservation Club, and served as co-chairman of the Armed Services Committee in the model senate when she occupied the chair of Senator Jacob K. Javits. She also found time to indulge her interest in drama and appeared in the school play, "Bury the Dead," and found an outlet for her athletic powers in the ski club.

One of her most interesting high school experiences was participation in the Nations Inc., Summer Workshop.

"For three weeks last summer I participated in Nations, Inc., Summer Workshop. This is a very worthwhile activity, as it involves learning about foreign customs, politics and ways of life. Since I was in the African section of the workshop, I was exposed to everything from African family organization to African independence.

"What made the program so valuable from an education viewpoint was that the three instructors were all from various parts of Africa; they are now doing graduate work at different universities in California," Janet explained.

Another highlight was her role in the Daly City Youth in Government program in which she was the counterpart of Mrs. Ann Ohlendorf, the city clerk.

"I shall miss all the wonderful friends I have made at Jefferson, the fun of being a senior, and I'll miss Jefferson, itself," she reports.

During the summer she will work full time for the city of Daly City as a stenographer-typist and pursue her hobbies of cooking, sewing, reading—usually scientific subjects — softball, and swimming. She will also continue her active participation in the young people's groups at Bethel Lutheran Church.

About her new role as a young adult in the community Janet remarks, "The most important part of a high school graduate's role in her community is to be well-informed as to what is happening in civic and social affairs. Each person should have an active interest in city politics and be aware especially of those matters which affect the social welfare. One should take part in and encourage community activities. This leads to a well-integrated community as well as alleviating much of the tension in a society.

ROSE MARIE PADILLA, FRANK BLUM JR.
August Altar Date

Couple Set Date

St. Martins Episcopal Church has been reserved for the August 6 wedding of Rose Marie Padilla and Frank Blum Jr.

The engagement was announced recently by her mother, Mrs. Eloise Baca of Daly City. Rose Marie also is the daughter of Leo Padilla. Her fiance is the son of Judge Frank Blum of Daly City and Mrs. Blum.

The bride-elect, a graduate of St. Mary's High School in Albuquerque, N.M., is the sister of Leon Padilla and the granddaughter of Mr. and Mrs. Solamon Padilla of Albuquerque.

Frank is an alumnus of Westmoor High School and San Francisco State College. He now attends Golden Gate Law School is a member of the army reserve. He is the brother of William E. and Dian L. Blum and the grandson of Mrs. Irene Poulos of Daly City.

A reception at the Brentwood Lodge in South San Francisco will follow the ceremony. The couple will live in Daly City.

Set Meeting

The Pacifica Fuchsia Society will meet at the Sharp Park School in Pacifica at 8 p.m. on July 21.

Ron Mickelsen of the Half Moon Bay Nursery will be the guest pseaker.

Circus Is Theme For June Club Scout Meet

"Circus" was the theme for the June meeting of Cub Pack 724.

A clever skit by Den 2 depicted "things you'll never see at the Circus'.

During game time, the cubs displayed their skill with a bean bag toss.

Tim Barker and John Cinti were welcomed to the Pack and received their Bobcat pins. Wolf Badges were awarded to Mike Paasch and Bob Hutchins.

Michael Thomas, David Penny and John Hantos earned their Bear Badge. Gold arrows went to Tim Varella, David Penny, Ricky Hardin, and Stanley Nakamura; silver arrows to Terry Hardin, Richard Zapata, Jim Murphy, David Penny and Stanley Nakamura.

A tie for inspection by Den 2 and Den 4 allowed Den 2 to keep the Eagle for the month of July.

Everyone enjoyed color slides of Cub Scout activities after the meeting and it was decided the Pack would participate in July 4th fireworks at Linda Mar Beach.

The cubs are practicing baseball each Wednesday evening at Franklin Roosevelt school.

By DONALD C. WAITE

THE DEMAND FOR BETTER MERCHANDISE!

All recent surveys of both furniture manufacturers and retailers shows that there is a definite demand for better quality merchandise in furniture and decorating.

The public has come to realize, through trial and error, that fine construction is cheapest in the long run.

This demand for better goods is apparently a natural reaction of those who have learned the hard way that, considering the many years of use furniture receives, the yearly cost of better quality is actually less than so-called "bargain" merchandise.

This is also true of higher-priced floor covering where very often the additional cost of a few dollars per yard means many years of additional use.

You must always realize that better quality means not only better construction but finer finishes and textures, better appearance and design.

And perhaps most important is that this type of furniture is the kind you will never tire of looking at and using through the years.

It is just a good investment in every possible way.

Our decorators, here at Sterling Furniture in Westlake Shopping Center, are at your service no matter what your decorating problem may be. We are open Wednesday and Friday evenings 'til 9 p.m. for your shopping convenience or call PL 6-7500.

D.C. Officer Is Deputy District Army Engineer

Lt. Col. Harry McKenzie Roper Jr., decorated many times for valor and exceptional service in Vietnam, yesterday became Deputy San Francisco District Engineer where he will assist in supervising a $380 million program for water resources development and the improvement of navigation.

During Col. Roper's last assignment, in Vietnam, he served as Commanding Officer of the 48th Assault Helicopter Company and as Executive Officer of the 10th Combat Aviation Battalion.

In the course of one year, Col. Roper flew over 900 missions and was awarded the Legion of Merit, Distinguished Flying Cross, Bronze Star, Commendation Medal for valor, Air medal for valor, 29 Oak Leaf Clusters to the Air Medal, and the Vietnamese Gallantry Cross with Gold Star.

He holds a Master of Science degree in civil engineering from the California Institute of Technology and is a 1952graduate of the Military Academy at West Point.

His service schools include the Engineer School, Ft. Belvoir, Va.; Command and General Staff College, Ft. Leavenworth, Kansas; Armed Forces Staff College, Norfolk, Va.; and U.S. Army Aviation Schools at Fort Rucker, Ala., Fort Wolters and Camp Gary in Texas.

Col. Roper has served with engineer troop units in West Germany, Korea and the United States. Since becoming an Army aviator in early 1959, he has held staff assignments in the 3rd U.S. Army Headquarters, Atlanta, Ga., and in the Department of the Army Headquarters in Washington, D.C.

He is married to the former Nancy Cochran of Washington, D.C. They and their two daughters, Lou McKenzie, 8, and Lee Davison, 5, are now living in Daly City.

Col. Roper replaces Lt .Col. John H. Kern, currently serving in Korea.

Big-car safety features, small-car prices...that's FALCON $1821*

Average Dealer Price

FALCON CLUB COUPE

*Price includes freight charges. Price is the average of those determined by an independent shopping survey (33% of all Ford Dealers in San Francisco, Oakland, San Jose metropolitan area) conducted June 9 through June 15. Some prices were higher, some lower. See your Ford Dealer for his price and terms. (State taxes, license and title extra.)

Room for 6 inside	Falcon's size, heft and safety features give you a peace of mind no mini-car can give. Plus plenty of room for six big Americans and their luggage.
Power in reserve	Falcon gives you an economical 105-hp, six-cylinder engine standard. And you can get optional engines up to a 289-cu. in. V-8 if you want.
Wide range of safety features	Every Falcon has all these safety features at no extra cost: front and rear seat belts • dual braking system • windshield washer • 2-speed electric wipers • backup lights • positive door lock buttons • padded instrument panel • energy-absorbing steering wheel with padded hub • 4-way emergency flasher. Many more.
Long term warranty	Best of all, Falcon's built to last. It needs routine maintenance only twice a year or every 6,000 miles. It carries a warranty no other American car can top —and no foreign compact can even approach.

Ford Motor Company's 3-point warranty plan

1. 5-year or 50,000-mile warranty on car power train, steering, and suspension.
2. 2-year or 24,000-mile warranty on the entire car.
3. Only one dealer certification per year regardless of how many miles you drive.

Ford Motor Company New Vehicle Warranty Basic Facts

Ford Motor Company warrants to owners that their selling Ford dealer (or if owner is traveling or has moved, any Ford dealer), using genuine new Ford or Ford authorized reconditioned parts, will repair or replace, free of charge including related labor, the following parts in Ford-built vehicles which are found, in normal use and within the following time and mileage limits (whichever comes first), to be defective in either workmanship or materials: (A) Any part of any vehicle within 24 months or 24,000 miles, and (B) power train parts in any car or light truck, and suspension or steering parts in any car (except Broncos), within 5 years or 50,000 miles.

Power train parts include: Engine block, head and internal parts, water pump, intake manifold, transmission cases and internal parts, torque converter, driveshafts, universal joints, differentials, and driving axles and their wheel bearings. Suspension and steering parts include all parts of the front and rear suspension systems, steering gear and linkage, power steering pump, road wheels and front wheel bearings and seals. Related items such as ignition, electrical, cooling, fuel and brake systems, engine or transmission controls or linkages, steering column and wheel, clutch assembly, shock absorbers or load leveling system are excluded. The owner is required to obtain certain maintenance services* and, every 12 months, a written certification from Ford or Lincoln-Mercury dealer that he has presented evidence that such services have been performed.

The warranty does not apply to tires or tubes (adjustments are provided by tire companies), or to normal maintenance services or normal replacement of service parts such as filters, spark plugs, ignition points, wiper blades or brake or clutch linings, or to normal deterioration of soft trim, appearance items, hoses, belts or molded rubber or rubber-like items.

The warranty applies to vehicles normally operated in the U.S.A. and Canada.

*Every 6 months or 6,000 miles: Change oil and oil filter; clean air cleaner, air filter and oil filler cap; check axle lube and transmission oil levels. Every 12 months or 12,000 miles: Replace air filter on closed crankcase ventilation systems; clean emission system and carburetor spacer; replace emission control valve and thermactor air filter. Every 24 months or 24,000 miles: Change engine coolant and check radiator hoses. Every 36 months or 36,000 miles: Replace air filter on open crankcase ventilation systems; adjust automatic transmission bands; lubricate steering linkage and ball joints; clean and repack front wheel bearings.

Here's a Supper From the Skillet

Your French-fried-potato-eating youngsters will love this skillet supper, and their father will, too.

The youngsters will like it because it is chock full of their favorite "taters." Father will like it because it is his kind of a meat-and-potato dish, the meat this time being fully-flavored, no-fat, no-waste canned corned beef.

Another virtue of this recipe for Skillet-Scalloped Corned Beef and Potatoes is its ease of preparation. It's simple enough for youngsters to prepare, and you might even talk their father into being the "skilleteer."

If the 12-ounce can of corned beef is chilled several hours, it will cut into four, six or eight slices for topping the potatoes before cooking. Or the chilled meat can be cut into small cubes and stirred into the potato mixture before being heated through on top of the range. Either way, the good beef flavor of the canned meat will permeate the entire dish.

Skillet-Scalloped Corned Beef and Potatoes

- 2 tablespoons butter or margarine
- 1 medium onion, sliced
- 1 package (1 lb.) frozen French fried potatoes
- 2 tablespoons flour
- 1 teaspoon salt
- ½ cup grated sharp Cheddar cheese
- 1 cup milk
- 1 can (12 oz.) corned beef, chilled
- Topping optional

Melt butter in large skillet; add onion and cook until tender but not browned. Add potatoes, flour, salt and cheese; mix lightly. Add milk. Top with corned beef which has been cut into 4 slices. Heat to boiling; reduce heat to very low, cover and simmer about 25 minutes or until potatoes are tender. If desired, sprinkle with topping just before serving. Topping: Lightly toast ½ cup soft bread crumbs in one tablespoon butter or margarine in small pan. Add two tablespoons chopped parsley; sprinkle over corned beef and potato dish.

Makes 4 to 6 servings.

Barbecued Duck The Year 'Round

Convenient to prepare on outdoor spit or electric rotisserie, duckling glazed with pineapple orange sauce and served with strawberries and pineapple slices (fresh or canned) adds another dimension to the art of barbecue cookery.

Available all year in supermarket frozen meat display cases, duckling is easy to prepare and serve. For your convenience, the National Duckling Council suggests that you always keep a brace of fresh frozen duckling in your freezer.

Glazed Duckling With Pineapple Orange Sauce

- 1 can (13½ ounce) pineapple chunks
- 2 tablespoons chopped preserved ginger
- 2 tablespoons preserved ginger syrup
- ⅓ cup light corn syrup
- ⅓ cup sugar
- 1 tablespoon grated orange rind
- ⅓ cup orange juice
- 3 tablespoons lemon juice
- 1 tablespoon chopped fresh mint, optional
- 1 frozen duckling (4½ to 5 pounds) defrosted
- ½ teaspoon salt
- 1 cup diced orange sections
- 2 teaspoons cornstarch

Prepare glaze. Drain pineapple. Combine pineapple syrup with next seven ingredients; simmer 10 minutes and add mint. Wash and drain duckling; pat dry. Sprinkle neck and body cavities with salt. Skewer neck skin to back. Insert rotisserie spit through cavities and tighten holding prongs at either end of duckling. Tie wings against breast. Tie legs together loosely, looping the cord around tail. Tighten cord to hold bird securely on spit. Roast duckling on rotisserie until meat on drumstick is tender, about 3 hours, basting with pineapple glaze 3 or 4 times during last 30 minutes of roasting time. Add pineapple chunks and orange sections to remaining glaze. Blend in cornstarch. Cook until thickened and clear. Serve with duckling. Yield: 4 servings.

A Cool Orange Chicken Salad

Sweet Florida orange juice and tart tarragon vinegar blend to flavor a shimmering salad of diced chicken and celery. What a cool, refreshing entree for a summer luncheon party!

This recipe is truly a bargain, for frozen Florida orange juice concentrate and leftover cooked or canned chicken are both inexpensive this season. In fact, the price of concentrate is lower than ever as this year's Florida orange crop was the biggest in history.

Orange enhances the delicate chicken flavor, and celery adds crisp texture. Should you want a clear orange salad to serve as a side dish, merely eliminate the chicken and celery.

Jellied Orange Chicken Salad

- 2 envelopes unflavored gelatine
- ¼ cup sugar
- ¼ teaspoon salt
- 2½ cups water, divided
- 1 can (6 ounces) frozen Florida orange juice concentrate, thawed, undiluted
- ½ cup tarragon vinegar
- 1 cup leftover diced chicken *or* 1 can (6 ounces) chicken, diced
- ½ cup finely cut celery

Mix gelatine, sugar and salt in saucepan. Stir in 1 cup of the water. Place over low heat, stirring constantly, until gelatine and sugar are dissolved. Stir in remaining 1½ cups water, undiluted concentrate and tarragon vinegar. Mix well. Chill until mixture is slightly thicker than consistency of unbeaten egg white. Fold in chicken and celery and turn into 1-quart mold. Chill until firm. Unmold. Garnish with greens and orange sections, if desired, and serve with mayonnaise thinned with orange juice.

YIELD: 6 to 8 servings.

NOTE: If desired, a clear orange salad may be made by eliminating the chicken and celery.

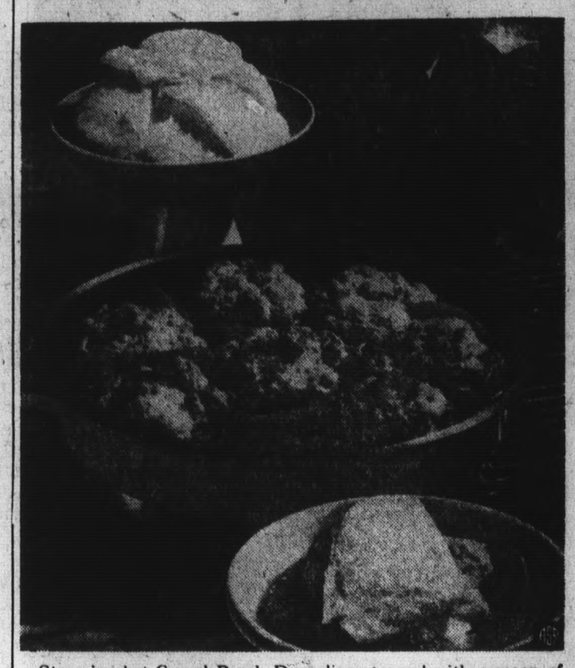
Cereal Dumplings Cooked Outside



Steaming hot Cereal Peach Dumplings topped with a scoop of slightly melting ice cream are tempting fare with which to beguile guests at an outdoor meal away from home. It can be done if you have a skillet with tight fitting lid. The dumplings steam tender and golden in the peach juice over a low charcoal fire or on an oil or camp stove as easily as they do on the surface of the kitchen range. Try making the dumplings with a corn flake biscuit mix base. The cereal provides a nice crunch. This is just another way of proving that cereal's multi-faceted flavors and forms lend themselves to creative cookery.

Cereal Peach Dumplings

- 1 can (1 pound 14 ounce) sliced peaches, undrained
- 2 cups prepared biscuit mix
- 1½ cups corn flakes, crushed to make ¾ cup crumbs
- ⅓ cup sugar
- ¼ cup butter or margarine, melted
- ¾ cup milk
- ½ teaspoon cinnamon

Pour undrained peaches into 10-inch skillet; heat. Combine biscuit mix, corn flake crumbs, ¼ cup sugar, butter or margarine and milk; stir to make a soft dough. Drop 8 large spoonfuls of biscuit mixture onto hot peaches. Combine remaining sugar and cinnamon; sprinkle over dumplings. Cover; cook slowly until dumplings are thoroughly done, 12 to 15 minutes. Serve hot, plain or with vanilla ice cream.
Yield: 8 servings.

FOR A WELCOME relief on a hot summer day try a Foamy Ginger Fizz or a Lemony Fruit Cooler.

Thirst Quenchers For the Summer

On sweltering summer days take a mid-afternoon break in the shade of the porch or patio with a cool, refreshing beverage to perk up lagging spirits or energy.

But instead of merely opening a soft drink bottle or a canned beverage, why not concoct something different like a Foamy Ginger Fizz, a Lemony Fruit Cooler, or a Strawberry Frost. Each is quite simple to prepare.

A handy ingredient for many cooling summer drinks is bottled lemon juice since you don't have to fuss with squeezing fresh lemons and it's economical, too.

The simple syrup for each of these recipes is made by simmering one cup of sugar and one cup of water for about five minutes. Store a supply in your refrigrator for quick preparation of many cold drinks.

LEMON FRUIT COOLER

- 2 tablespoons bottled lemon juice
- 1 tablespoon simple syrup
- 2-3 cup canned or frozen fruit drink
- 1 scoop sherbet

Combine bottled lemon juice, simple sryup and fruit drink in low glass. Top with sherbet. One serving.

Note: If unsweetened fruit juice is used, increase simple syrup to two tablespoons.

FOAMY GINGER FIZZ

- 1 egg white, bottled lemon juice and simple syrup. Add gingerale and shake or beat until frothy. Serve immediately. Two servings.

STRAWBERRY FROST

- 2 tablespoons bottled lemon juice
- 2 tablespoons simple syrup
- ¼ cup sliced fresh or frozen strawberries
- 1 cup crushed ice

Combine all ingredients in blender until slushy. Serve in small, stemmed glasses and garnish with mint leaves. One or two servings.

JACQUIE DWYER

Poised Blonde Is New Dream Girl

Poised, svelte Jacquie Dwyer of Redwood City last night became the second Redwood City girl within three years to wear the crown of Miss Fiesta Dream Girl.

The blonde charmer won the top honors in a field of 13 girls representing various county cities to succeed Vivien Rieger of Daly City as the year-long county queen. The 1965 Dream Girl was Sharon Bunyard of Redwood City who is currently with an airlines in Memphis, Tenn. Keeping it a two-city sweep, the close runner-up last night was blonde Sandra Tate of Daly City.

Miss Dwyer's figure of 36-25-36½ was splendidly showcased in a lime green swimsuit but even more striking to the judges was her poise under questioning by San Francisco radio personality Carter B. Smith.

The new Fiesta Dream girl had just returned from a three months exchange student visit in Greece and had some pertinent comments about that strife-ridden nation.

"I found the Greek youths to be very mature. They faced up to their crisis and were very aware of the world around them, much more aware than American youths," she said.

"They are not afraid to live life, to enjoy the dances of their ancestors, to take pride in their nation's history. They don't need radio, television or fast cars to keep them amused."

More than 300 witnessed the long, detailed arriving at the selection of the queen with 60 per cent based on beauty of face and figure, 20 per cent on poise and 20 per cent on personality.

Marin Fun Day

Over 600 youngsters vacationed for a day at the Marin Town and Country Club in Fairfax last week.

Under the supervision of recreation leaders and aides of the Daly City Recreation Department, the youngsters utilized facilities of the spacious country club resort.

This week the younger children are absorbed in the age-old fables of childhood as they romp and play in the famous Fairyland in Oakland.

S.S.F. Filing Fees to Be Increased

South San Francisco planning commissioners voted to increase the city's "planning and filing" fees by more than one-third this week, and added a fee for the filing of parcel maps.

The fee increases, recommended by City Planner Daniel Pass, were instituted "to bring South San Francisco's fees into alignment with those of neighboring cities, and to make the fees reflect the actual cost of processing planning proposals," commissioners said.

"The increases will place more of the burden of cost upon applicants, petitioners and subdividers, and relieve the burden of the general taxpayer," Pass said.

The largest increase was in the fee for filing planned community maps, which went from $50 to $100.

The new parcel map filing fee is $25. South San Francisco was previously the only city in the area wihout a fee for this service, according to Pass.

The new fee for a use permit application is $30. A variance application will also cost $30, a rezoning request $75 and a $25 fee will be charged for filing a subdivision map.

San Bruno Grass Fire

Another 10 acres of grass on San Bruno Mountain was burned off yesterday in the twenty-fourth fire of the summer.

Fire fighters of the Division of Forestry said the fire, which was started by children playing with matches, was in an area that was too steep for tanker trucks.

2nd Beating For SSF Man

When nurseryman Donald McMicheal gets "hit" by robbers he really gets hit!

Two months ago while working in his White Front nursery store in South San Francisco, McMicheal was struck in the face with a shovel, knocked unconscious and robbed.

He lay for two days in the intensive care unit of Peninsula Hospital before police were able to question him about the incident.

Back on the job Tuesday, McMicheal was preparing to close up his shop when a strong arm robber smashed him in the head from behind with a cement block.

An employee of the nursery, William Smith, found the 24-year-old victim lying unconscious inside the store when he reported for work this morning.

According to McMicheal, recovering from his injuries at Peninsula Hospital, the robber stole more than $150 from his wallet after knocking him out.

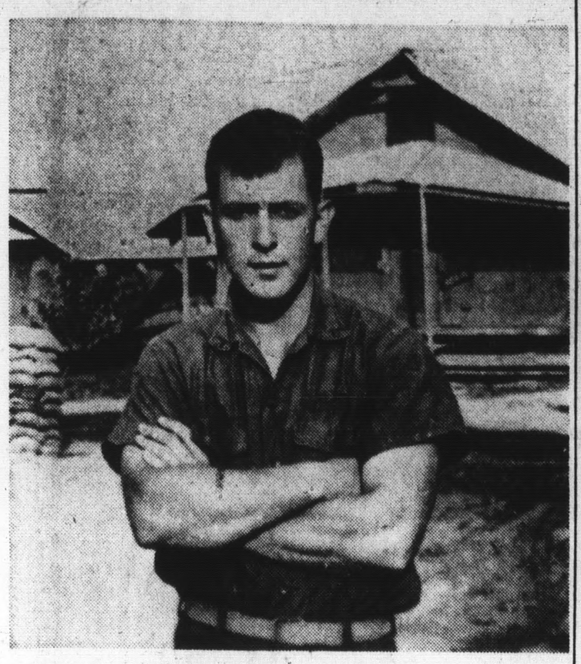
Jeff Hi Grad



RALPH L. WILLIAMS, a 1965 graduate of Jefferson High School in Daly City, is an ambulance driver with the U.S. Marine Corps stationed at Da Nang, South Vietnam. Williams, the son of Mrs. May R. Shaw of San Bruno, is scheduled to return home next month.

San Pedro Road Given Priority

Heavily traveled routes in Daly City and San Carlos were added yesterday to the first stage city-county highway program administered by the Greater Highways Committee.

In Daly City the route is the stretch of San Pedro Road and Market Street extending between Junipero Serra Freeway and Guadalupe Canyon Parkway.

Included in San Carlos is the length of Alameda de las Pulgas from San Carlos Avenue to Rock Ridge Drive.

Routes in the first stage program are given priority in the allocation of a special fund for improvement of city streets and roads that are of county-wide importance.

The committee agreed to suggestion by its chairman, Supervisor James V. Fitzgerald, that special task force subcommittees be named to concentrate on traffic problems around several possible "hot spots" — the north county campus of College of San Mateo in San Bruno, the Canada Campus near Woodside, the west of Redwood City site of San Mateo State College, and the Marine World project in Redwood City.

Dr. Julio Bortolazzo, president of College of San Mateo, encouraged the appointment of the study groups and pledged the cooperation of county officials.

The committee agreed to integrate the three-county highway design committee, which was originally appointed to make design recommendations for Junipero Serra Freeway, into its membership as a subcommittee.

The membership balked, however, at a suggestion by Fitzgerald that the name of the Greater Highways Committee be changed to Regional Transportation Committee. Fitzgerald said the committee should concern itself with all aspects of the transportation field, not just with highways. Several members said they thought the committee was getting too far afield, however, and the proposal was tabled.

The committee agreed to explore the possibility of updating the city-county highway plan.

THE LARGEST AND FINEST GIFT SELECTION IN THE BAY AREA

San Bruno Favors Sneath Lane

San Bruno officials do not intend to postpone the Sneath Lane improvement project in order to give priority to Sharp Park Road improvements as suggested last week by Supervisor James V. Fitzgerald, City Manager Gerard S. Vergeer said today.

"Present plans are to proceed with the Sneath Lane project and the College Avenue improvements, and I do not anticipate any major improvement of Sharp Park Road within the next five years," the manager said.

Fitzgerald last week urged San Bruno officials to proceed with the Sharp Park improvements in order to avoid a "bottleneck" in the area of the new College of San Mateo North County campus.

Construction at the site is expected to begin soon, and the supervisor warned there is danger of "the same sort of chaos that resulted when the College Heights campus near San Mateo opened before there were adequate access roads."

Vergeer said allocations for the College Avenue project are contained in the city's present budget, and the improvements will probably be completed within one year.

Sharp Park Road will be widened eight-feet, and other temporary improvements are scheduled within the next few months, "but nothing on the order of the freeway standards originally proposed," the manager said.

The city has $592,000 in its road fund, and this is exactly the estimated cost of the Sneath Lane improvements.

Another $133,000 will be added to the fund during the coming year, but the cost estimate on the Sharp Park Road project is $337,000.

It is not possible to complete both projects with available city funds, and officials consider the Sneath Lane improvements the more vital to the city's interests.

The city of Pacifica has allocated funds from next year's budget for improving its portion of Sharp Park Road, but a bottleneck will occur anyway if the San Bruno section is not completed, according to Fitzgerald.

Deputy County Engineer S. H. Cantwell said last week it might be possible for the city of San Bruno to borrow necessary money for the Sharp Park project from the city-county highway fund controlled by the County Greater Highway Committee.

Money is allocated from this fund for city projects of area-wide importance, but San Bruno officials have shown little enthusiasm over going into debt to improve a road many consider to be of primary importance to Pacifica, and not the Bayside city.

Lutheran Church Youths Attend Mt. Cross Camp

Seventeen youths from Our Redeemer's Lutheran Church in South San Francisco recently returned from a four-week stay at the Mt. Cross Lutheran Bible Camp at Felton.

Larry Nelson, intern at the South San Francisco church, served as teacher on the camp staff last week.

South San Francisco youths attending the camp were Marianne Gibson, Sharon Greer, Susan Ericson, Nancy Brown, Beth Tweet, Jim Heaney, Claus Heaney, Craig Arfsten, April Gulbrandson, Kari Landucci, Susan Quinn, Beckey Countryman, Eleanore Johnson, Dorothy Hedlund, Jan Countryman, Thom Johnson and Carl Hedlund.

Pacificans' Steel Band Set for Fair

The Pandemoniacs Steel Band, a group of talented Pacifica children, will appear at the San Mateo County Fair and Floral Fiesta at 7:30 Thursday, August 10.

The Pandemoniacs, three sisters and a brother, are the children of Chief Master Musician and Mrs. Franz E. Grissom, 523 Heathcliff Drive.

The children — Claudia, Gilda, Gina and Eddie — range in age from six to 13. Their instruments are made of 50-gallon oil drums that have been heat tempered and tuned to produce amazingly clear musical notes.

The children learned to play the steel instruments while in Trinidad where their father was stationed in the Navy. When they moved to the Bay Area they brought their instruments and their talent with them.

Chief Grissom conducted the United States Navy Steel Band from 1959 to 1965, appearing all over the world and on several national television shows, including the Bob Hope and Ed Sullivan shows.

Under the guidance of their experienced father, the Pandemoniacs have learned to reproduce the rhythmic beat and strange melodic sound of the Trinidad drums which will entertain Fiesta visitors.

Grass Fires Sweep Bruno Mountain

Firemen from state division of forestry headquarters in Belmont yesterday afternoon and evening logged their twenty-fifth and twenty-sixth grass fires for the year on San Bruno Mountain.

Firemen said South San Francisco firemen had brought under control a quarter-acre grass fire at Airport Boulevard and Randolph Avenue which broke out shortly before 1 p.m. before the arrival of state trucks.

A second grass fire was reported shortly after 7 p.m. at Hillside Boulevard and Irving Street near Daly City. It also burned only about a quarter of an acre before being brought under control. Firemen said causes of each fire have been undetermined.

One fire truck had to be dispatched from the second fire to the San Mateo bridge just east of the lift span shortly after 8 p.m. Firemen, who had difficulty reaching the scene because of a major traffic jam, reported a station wagon was completely engulfed in flames by the time they arrived.

S.S.F. Man Dies at 41

James Newberry, 41, of 521 Rocca Avenue, South San Francisco, died this morning of an undetermined cause.

The victim's wife, Ella Mae, told Coroner's Investigator Robert Cawley that she was unable to awaken her husband his morning and called an ambulance. Newberry was dead on arrival at Kaiser Hospital at 5:54 a.m.

An autopsy was to be done today to determine the cause of death. Funeral arrangements are pending at Nauman and Lincoln Mortuary.

HOME and GARDEN

Cushion "Mum" Plant of Week

The low-growing chrysanthemum known as "the Hardy Cushion Mum" is The Times Plant of the Week. Mrs. Ida Ford, 518 South Delaware, San Mateo, has used one variety of these hardy Cushion Chrysanthemums to create a front garden of such beauty it has become a traffic hazard.

"Cushion Mums" are the mound-shaped, compact growing type that liberally cover themselves with many flowers. They show great masses of bloom in early July which last for several weeks. They are used for borders, edgings, low hedges and solid beds. They also make excellent pot plants for a portable garden.

These low-growing mums provide so much color they are literally "eye-stoppers." Mrs. Ford's garden faces on busy Delaware and when drivers spot her colorful front yard, they automatically apply their brakes for a better, longer look. We know this is true as a couple of these drivers called us to report this garden and while they could give us the location they couldn't give us the name of the owner. Both callers commented that this garden was much more colorful than any garden they had seen in our Fiesta.

The "Cushion Mums" are easy to grow. Mrs. Ford has built her big display from a single cutting given to her some years ago, hence the same color throughout the display. All chrysanthemums root easily for cuttings. You can do this anytime of the year you can find an unbloomed tip but the best time is in Spring during the month of April. Use a rooting hormone, such as Rootone, and dip the base of the cuttings in this powder, tapping the excess powder off before inserting the cutting in the rooting medium. We use sand, vermiculite and sponge rock to root our cuttings. Either of these will do a good job easily or they may be combined. Just be sure you use a salt-free sand, not sand from the seashore. Keep the rooting medium moist but not wet until the roots are formed.

Chrysanthemums usually root in about six weeks time provided they are kept in a shaded place and kept moist. Move the rooted cuttings into the garden just as soon as a good set of roots is formed. Set the little cuttings 12 inches apart as they will form mounds a good 12 inches in diameter the first year. Mrs. Ford has set her plants somewhat closer so as to get a tight color effect and some of the plants have been pushed upward by this close planting.

These chrysanthemums will grow in most any kind of soil but they will grow faster, flower better and be more beautiful if the soil is dug deeply and plenty of humus added. The humus will help to hold moisture around the roots thus keeping the plants growing steadily. A loose mulch on top of the soil after planting will cut down on the watering by preventing evaporation. It will also keep the roots cooler so they can do their work better.

In 1958 the All-America Mum Selections chose a fiery red cushion mum, named "Ruby King," for its top award. In 1959 another red, called "Crimson Lady," and "Flair," a lively lavender cactus or star-flowered cushion mum were honored with an award.

That same year, California's big retail chrysanthemum grower, the Sunnyslope Chrysanthemum Gardens in San Gabriel, listed 16 cushion mums in their catalog. The colors ranged from white through pink to red and from yellow through apricot to orange and bronze.

Chrysanthemums, like vegetables, must be kept growing steadily to be good. Start a fertilizer program when you first set the rooted cutting out bywatering them in with a half strength fertilizer solution. Fertilize at regular intervals following the directions on the fertilizer bag so you will give enough but not over feed.

Arrest Five

Five youths wanted in connection with a Palo Alto strongarm robbery were arrested by San Mateo County sheriff deputies in South San Francisco early Saturday, officers said.

The fiev were arrested on the Bayshore Freeway after deputies spotted their automobile about 3 a.m.

Controls For Development Group Slated

The annual contract between county government and the San Mateo County Development Association was approved yesterday by the Board of Supervisors with the stipulation that a strict accounting will be made of how the county's $30,000 contribution is spent.

The accounting was asked after Mrs. Lillian Alving of the Council for Governmental Responsiblity once again objected to the use of taxpayers' money to subsidize the association, the primary function of which is to promote industrial development in the county.

Supervisor William M. Werder said he felt recent criticism of the county's support of the association was the result of misunderstanding.

"A better name for the association would be the San Mateo County Chamber of Commerce," Werder said.

County Manager E. R. Stallings said it would cost much more for the county to set up its own agency to promote industry and commerce.

Mrs. Alving asked for examples of how the association is of benefit to the county. Deputy County Engineer S. H. Cantwell said the association had been active in planning a city-county road program and Supervisor Robert St. Clair noted that the association is consulted by the Bay Conservation and Development Commission on all proposed Bay fill projects in San Mateo County.

St. Clair, taking note that much of the recent criticism was aimed at any further filling of the Bay, suggested that the name of the association be changed to the "San Mateo County Development and Conservation Association."

SSF Woman Unable To Keep Post

Ramona Portillo, elected representative of South San Francisco on the County Human Resources Commission, submitted her resignation last night. She said she was unable to continue to serve because of the demands of her job.

Commissioner Antonio Montoya introduced Mauricio Gonzales, a welder, of 323 Linden Avenue, whom he said will be appointed temporarily to take Miss Portillo's place until another election can be arranged.

The appointment, to be good for 90 days, is to be made by the South San Francisco Community Action Council. A council delegation attended the meeting in Redwood City last night along with Gonzales.

Acting Director George Riley announced the dates of elections to be held in Redwood City and East Palo Alto.

A commission representative and 15 community action council members are to be elected at 8 pm.., July 28, at Ravenswood High School in East Palo Alto.

A commissioner and 12 CAC members are to be elected in Redwood City at 7:30 p.m., August 2, at Fair Oaks Elementary School.

William Tupper, business representative of the Retail Clerks' Union, was elected first vice chairman of the commission, filling the vacancy created when Harry Bremond was elevated to the chairmanship. The only other nominee for the first vice chairmanship was John Partenan, who got three votes to Tupper's seven.

Bremond announced that a meeting with the County Board of Supervisors to discuss the establishment of a human relations program has been postponed until 3 p.m., July 27.

Temple Judea Slates Sale

Sisterhood of Temple Judea will hold a mass rummage pick-up on Saturday, 29 July.

The Sisterhood would appreciate it if any person able to provide items would contact Mrs. Sanford Heisler, WY. 2-2122; Mrs. Leonard Wasserstein, PL 5-3130; or Temple Judea, 586-8833.

The Rummage Sale is scheduled for 27 September at the Hall of Flowers and the proceeds from this sale will go toward the operating expenses of the Temple on Brotherhood Way and its religious School.

NELL NORTON

(Sugar 'n Spice)

Greetings good cooks.

Here I am, back from three weeks in the sun, and already my tan is beginning to fade. Ah it's grand to be back in the fog!

Uusually when I return from a vacation I bring back some recipes to share with you. But, sad to say, this time I didn't get one receipe. However, I found some interesting recipes waiting for me.

How does the name "Tunnel of Fudge Cake impress you? Doesn't it bring to mind a delicious chocolate cake? It is that and more, it's a delicious chocolate cake with a center of rich fudge. This is the cake that Esther baked and shared with the parents of Girl Scout Troop No. 511.

When you bake this cake you will see why it won a prize in the last Bake-Off.

TUNNELL OF FUDGE CAKE

1½ cups soft butter
6 eggs
1½ cups sugar
2 cups regular flour
1 package Double Dutch Fudge Buttercream Frosting Mix
2 cups chopped walnuts

Cream the one and one-half cups butter in a large mixer bowl at high speed of mixer. Add the six eggs, one at a time, beating well after each. Gradually a the one and one-half cups sugar; creaming at high speed until light and fluffy. By hand, stir in the two cups flour, one package frosting mix and two cups walnuts until well blended.

Pour batter into greased 10-inch tube pan. Bake in 350-degree oven for 60 to 65 minutes.

Cool two hours, remove from pan. Cool completely before serving.

NOTE: Nuts and Double Dutch Fudge Frosting Mix are essential to success of this unusual recipe. Since cake has a soft fudgy interior, test for doneness after 60 minutes by observing dry, shiny brownie-type crust.

— — —

NOW THAT WE HAVE THE DESSERT, how about going back to the beginning and planning an entree? And while we are planning, how about planing an entree that is easy and inexpensive to make and bake?

Just such a dish comes from Mrs. Noel Collin who lives at 1674 32nd Avenue in San Francisco.

CORNED BEEF CASSEROLE

6 oz. uncooked macaroni
1 can corned beef, 12-oz.
½ pound American cheese, shredded
1 can mushroom soup
1 cup milk
½ cup chopped onions

Cook six ounces macaroni in boiling, salted water until tender. Drain. Combine the macaroni with the one can of corned beef, which has been broken up, one-half pound cheese and one-half cup onion. Blend well and turn into a casserole dish. Heat the one can of mushroom soup and stir in milk, blend and pour over top of macaroni mixture.

Bake in 375-degree oven for one-hour. Serves six.

☆ ☆ ☆

WHILE I WAS LOOKING up the card with Ceil's recipe on it, I ran across another casserole dish I'd love to share with you good cooks. This dish combines ground beef with zucchini and a rich cream sauce. The result of this mixing and fixing is a large and most delicious casserole.

BEEF ZUCCHINI CASSEROLE

1 lb. ground beef
6 medium zucchini
½ cup chopped onion
2 Tbsp. oil
½ cup cracker cumbs
2 teas. salt
Pepper to taste
¼ cup butter
¼ cup flour
2 cups milk
1 cup grated chedder cheese

WASH THE SIX-MEDIUM ZUCCIHINI and cut off ends. Cook whole in boiling, salted water, about eight minutes. Drain and cut into ½-inch slices.

Cook one-half cup onions in the two tablespoons oil about three minutes. Add the one pound of ground beef and cook until lightly browned. Pour off excess oil. Stir in the one-half cup cracker crumbs and two teaspoons salt and pepper to taste. Remove from heat.

Make a white sauce by melting the one-fourth of butter and stirring in the one-fourth cup of flour. Add the two cups of milk gradually and stir over heat until smooth and bubbly. Add the one cup of grated cheese and blend until melted.

Place half of zucchini slices in a greased 2-quart casserole. Add half of beef mixture, then half of cheese sauce. Repeat layers.

Bake 25 minutes in 350-degree oven. Serves 6 to 8.

News From San Mateo County Boys in Service

AIR RESERVE

RIVERSIDE — James C. Dando, son of Mr. and Mrs. Eion E. Dando of 171 Duranzo Way, Menlo Park, is participating in a U.S. Air Force Reserve Officers Training Corps (AFROTC) field training encampment at March AFB, Calif.

Cadet Dando is one of some 5700 AFROTC cadets attending four-week encampments this summer at Air Force installations throughout the country.

During the encampment cadets become familiar with the life and activities on Air Force bases and can examine career opportunities in which they might wish to serve as officers.

Other highlights of the course include survival training, aircraft and aircrew indoctrination, small arms training and visits to other Air Force bases.

Cadet Dando is a member of the AFROTC unit at San Jose College.

He is a 1963 graduate of Woodside High School.

Mr. and Mrs. William R. East-

His wife is the daughter of Mr. and Mrs. William R. Eastman of 3945 Durand Drive, San Mateo.

ENCAMPMENT

RIVERSIDE, Calif. — Jonathan C. Fast, son of Mr. and Mrs. Charles E. Fast of 197 Lyndhurst Ave., San Carlos, is participating in a U.S. Air Force Reserve Officers Training Corps (AFROTC) field training encampment at March AFB, Calif.

Cadet Fast is one of some 5700 AFROTC cadets attending four-week encampments this summer at Air Force installations throughout the country.

During the encampment cadets become familiar with the life and activities on Air Force bases and can examine career opportunities in which they might wish to serve as officers.

Other highlights of the course include survival training, aircraft and aircrew indoctrination, small arms training and visits to other Air Force bases.

MARCH AFB DUTY

RIVERSIDE, Calif. — Douglas R. Newport, son of Mr. and Mrs. Robert Newport of 2031 Idaho Court, Redwood City, is participating in a U. S. Air Force Reserve Officers Training Corps (AFROTC) field training encampment at March AFB, Calif.

Cadet Newport is one of some 57000 AFROTC cadets attending four-week encampments this summer at Air Force installations throughout the country.

During the encampment cadets become familiar with the life and activities on Air Force bases and can examine career opportunities in which they might wish to serve as officers.

Other highlights of the course include survival training, aircraft and aircrew indoctrination, small arms training and visits to other Air Force bases.

Cadet Newport is a member of the AFROTC unit at the University of Oregon.

He is a 1964 graduate of Woodside Calif. High School where he lettered in wrestling.

ROTC PLAN

FT. BENNING, Ga. — Jeffrey P. Keck, 19, son of Mr. and Mrs. Charles P. Keck, 1925 Arbor Ave., Belmont, is attending Army Reserve Officers' Training Corps basic camp at Ft. Benning, Ga., which began June 11.

Keck is a student at the University of California at Berkeley. He is attempting to earn an Army commission through the new two-year ROTC program.

He is receiving six weeks of training similar to that given all Army basic trainees, including rifle marksmanship, bayonet training, hand-to-hand combat and first aid.

Successful completion of the basic camp will qualify him for the Adavnced Corps at the college. The two years of advanced training at the school and advanced summer camp emphasize skills necessary to command. He will be eligible for a commission as a second lieutenant in the U. S. Army upon graduation from college.

Keck graduated from Junipero Serra High School, San Mateo, in 1965.

LAREDO DUTY

LAREDO, Tex. — Capt. John B. Stark, son of Mr. and Mrs. Charles B. Stark of 30 Stockbridge Avenue, Atherton, has been awarded U.S. Air Force silver pilot wings upon graduation at Laredo AFB, Tex.

Captain Stark is being assigned to McGuire AFB, N.J., for flying duty with the Military Airlift Command which operates a global airlift system for U.S. forces employing more than 1,000 modern aircraft.

The captain, a graduate of Tenafly (N.J.) High School, received his A.B. degree in 1960 from Rutgers State University, New Brunswick, N.J., and is a member of Delta Phi. He was commissioned upon completion of Officer Training School at Lackland AFB, Tex.

His wife, Alice, is the daughter of Mr. and Mrs. Richard E. Watts of 112 Shipcarpenter Street, Lewes, Del.

NAVAL COURSE

SAN DIEGO — Seaman Recruit Dennis A. Taveira USN, 19, son of Mr. and Mrs. Norman A. Taveira of 101 West Twenty-fourth, San Mateo, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, miltary drill and other subjects.

"PATHFINDER"

ABILENE, Tex. — Airman First Class John W. Conner Jr., son of Mrs. Barbara M. Conner of 375 Hillway, San Carlos, has returned to his permanent unit at Dyess AFB, Tex., following his participation on operation "Pathfinder Express," a joint airborne military exercise recently concluded in Spain.

He was a member of the Air Force contingent that took part in the U.S.-Spain training program designed to test the capability for rapid airlift and commitment of airborne forces of both countries in event of an emergency.

The maneuver involved more than 7,000 U.S. personnel and approximately 100 aircraft operating from bases in Germany and airborne troops of the Spanish 1st Airborne Battalion. It incluedel a simulated airborne assault on the city of Zaragoza in northeastern Spain.

Airman Conner, an aircraft loadmaster, is a member of the Tactical Air Command.

AT PENDLETON

CAMP PENDLETON — Marine Private William C. Brady Jr., son of Mr. and Mrs. William C. Brady of 25 Seville Way, San Mateo, has completed four weeks of individual combat training at this Marine Corps Base.

During his more than 200 hours of training, he learned about weapons and combat techniques from combat veteran instructors. They taught him how to conduct combat patrols, detect and remove mines and booby traps and use the standard Marine Corps infantry weapons.

He will now receive at least four weeks of spcialist training before being assigned to his first permanent unit. Marines going to combat units will get detailed training in the particular combat skill they are designated for. Those who are going into technical fields will receive their advanced training at one of a variety of technical schools throughout the country.

TECH COURSES

AMARILLO, Tex — Airman Ralph A. Castaldo, whose parents are Mr. and Mrs. Ernest W. Scheger of 3338 Melondy Drive, San Carlos, has been selected for technical training at Sheppard AFB, Tex. as a U.S. Air Force aircraft maintenance specialist.

The airman recently completed basic training at Amarillo AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide the technically trained personnel for the nation's aerospace force.

Airman Castaldo is a 1965 garduate of Serra High School, San Mateo and attended the College of San Mateo.

SILVER WINGS

BIG SPRINGS Tex. — First Lt. Chester A. Banachowski, son of Mr. and Mrs. Chester Banachowski of 428 Georgetown Avenue, San Mateo, has been awarded silver pilot wings upon graduation at Webb AFB, Tex.

Following specialized aircrew training at other bases, he will be assigned to Homestead AFB, Fla. He will be a pilot in the Tactical Air Command which provides combat reconnaissance, aerial firepower and assault airlift for U.S. Army forces.

Lt. Banachowski, a graduate of Serra High School, received a B.S. degree in 1965 from the University of California at Los Angeles and was commissioned there upon completion of the Reserve Officers Training Corps program. He earned an M.S. degree in 1966 from the University of California at Berkeley. The lieutenant is a member of Delta Tau Delta.

RADIO REPAIRS

FT. GORDON, Ga. —Private First Class Michael P. Crowe, 24, son of Mr. and Mrs. Wallace L. Crowe, 677 Nevada Ave., San Mateo, completed a 21 week field radio repair course at the Army Southeastern Signal School, Ft. Gordon, Ga., June 2.

During his training, he learned electrical fundamentals and was trained to service and repair different types of radio transmitters and receivers. Instruction was also given in the operation of testing equipment, ranging from tube testers to signal generators and frequency meters.

PFC Crowe graduated from John Jose State College, San Jose, in 1965 with a B. A. degree. He is a member of Phi Kappa Phi fraternity.

WOODSIDE CADET

FT. LEWIS, Wash. — Cadet John C. Allen, 23, son of Mr. and Mrs. Robert F. Allen, 2418 Woodside Road, Woodside, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. Allen is a student at the University of Oregon, Eugene.

He is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

A 1962 graduate of Woodside High School, Allen is a member of Beta Theta Pi fraternity.

PACIFICA GI

FT. LEWIS, Wash. —Cadet Gaylord R. Pease, 23, whose mother, Mrs. Laura Greer, lives at 843 Dell Road, Pacifica, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. Pease is a student at Washington State University, Pullman, Wash.

He is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

FUNDAMENTALS

MEMPHIS, Tenn. — Airman Apprentice David A. Hill, USN, son of Mr. and Mrs. Alvin L. Hill of 1617 Hemlock Avenue, San Mateo, has completed the Aviation Mechanical Fundamentals School at the Naval Air Technical Training Center in Memphis, Tenn.

The four-week course introduces students to mathematics, physics and the principles of electricity. Subjects stressed include atomic theory, static and dynamic electricity, magnetic theory and the construction of aircraft batteries.

This month-long course prepares Navy, Marine Corps and Coast Guard personnel for entrance into more advanced courses at the center.

STANFORD CADET

FT. LEWIS, Wash. — Cadet Joseph S. Lester Jr., 20, son of Mr. and Mrs. Joseph S. Lester, 97 Mount Vernon Lane, Atherton, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. He is a student at Stanford University at Stanford.

He is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Cadet Lester is a 1965 graduate of Menlo - Atherton High School at Atherton. He is a member of Beta Chi fraternity.

SERRA GI

FT. LEWIS, Wash. — Cadet Melvin H. Menegaux, 20, son of Mr. and Mrs. Melvin H. Menegaux, 621 Pine Terrace, South San Francisco, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. Menegaux is a student at San Jose State College.

He is recieving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Cadet Menegaux was graduated from Serra High School in 1964.

TRANSPORT SCHOOL

FT. EUSTIS, Va. — Robert H. Wood Jr., 23, son of Mr. and Mrs. Robert H. Wood, 1065 Jones Court, Redwood City, was commissioned an Army second lieutenant upon graduation from Transportation Officer Candidate School at Ft. Eustis, Va., May 31.

During the 23-week course, he was trained in supervising and transportation of military personnel and equipment by rail, water, land and air. He received extensive instruction in transporting combat troops and supplies over jungle terrain.

He was also trained in the operation and maintenance of vehicles used by the Transportation Corps.

BELMONT CADET

FT. LEWIS, Wash. — Cadet Richard H. Carver, 20, son of Mr. and Mrs. John F. Carver, 1612 Prospect St., Belmont, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. He is a student at Menlo College at Menlo Park.

He is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of summer camp and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Cadet Carver is a 1964 graduate of Serra High School at San Mateo.

Put Design On Cookies

When rolled and cut cookies, slices, or flattened balls are on the baking sheet, impress them with design. Dip the rim of a glass in sugar and make several part-of-a-circle rows across the cookie tops. The sugar prevents cookie dough from sticking to the glass rim. And sugar also provides a sparkle and crispness to the cookies when baked.

PICNIC CAKE

For a moist easy-carry picnic cake substitute buttermilk for water in a packaged gingerbread mix and add ½-cup chopped California walnuts to the batter. Brus hot cake with corn syrup and sprinkle with chopped walnuts and miniature marshmallows. Run under broiler until marshmallows turn golden.

LEMON ANGEL RING

An Easy Dessert For Hot Weather

Cake is the dessert most often ignored during the warm months because Mom hates to turn on the oven. And who can blame her? But there are ways to have your cake and beat the heat, too. For instance, there's a lemon Angel ring that let's you keep your cool no matter what the weather because it needs no baking.

The zesty lemon flavor of the cake comes from canned lemon pie filling. This velvety-smooth filling is folded into whipped cream and crushed lemon drop candies, then layered with small chunks of angel food cake in a lined tube pan. Instead of a baking period, the instructions call for an overnight stay in the refrigerator. Simple? We think so The next day, unmold the cake ring and garnish it with additional whipped cream and candy if you wish.

On really hot days, we prefer to buy the prepared angel food cakes available at bakeries or grocery stores. However, come cooler weather, you might like to bake your own from a mix or scratch. Just be sure to cool the cake thoroughly before breaking it apart for this delicious desert.

Serve the Lemon Angel Ring as a refreshing finale to a porch supper or as a very special treat when you invite the other mothers in your neighborhood over for a cooling cake and iced tea break. The frosty tea and cake make a dandy flavor combination, just right for this time of year.

LEMON ANGEL RING

1 (9-inch) angel food cake
1 No. 2 can (2 cups) lemon pie filling
½ pint heavy cream, whipped
¼ cup crushed lemon drops (about 10)
Additional whipped cream, sweetened
Additional lemon drops

Line a nine-inch tube pan with waxed paper. Remove brown crusts from the cake and tear cake into bite-size pieces. Fold the lemon pie filling into the whipped cream; then lightly fold in the candy. Fill pan with alternate layers of lemon mixture and cake, beginning and ending with the lemon mixture. Cover. Refrigerate overnight. to serve: unmold dessert. Swirl additional whipped cream or dessert topping over top and sprinkle with crushed candy. makes 10 to 12 servings.

A Meal For Saturday

BEST BLUEBERRY PUFFS

1 cup biscuit mix (do not pack down)
1 tablespoon sugar
1 egg
1-3 cup heavy cream
¾ cup blueberries
Extra sugar
Cinnamon

In a small mixing bowl stir biscuit mix and 1 tablespoon sugar together. In another small mixing bowl beat egg until thick and lemon colored; add cr— and beat to blend. Stir into biscuit mix with fork; beat out any large flour lumps, but do not beat smooth. Fold in blueberries. Drop into 12 small (each holding 2 tablespoons) muffin pan wells, filing to the top. Sprinkle ¼-teaspoon sugar over each muffin; sprinkle with cinnamon. Bake in hot (450-degrees) oven 12 to 15 minutes. Serve hot.

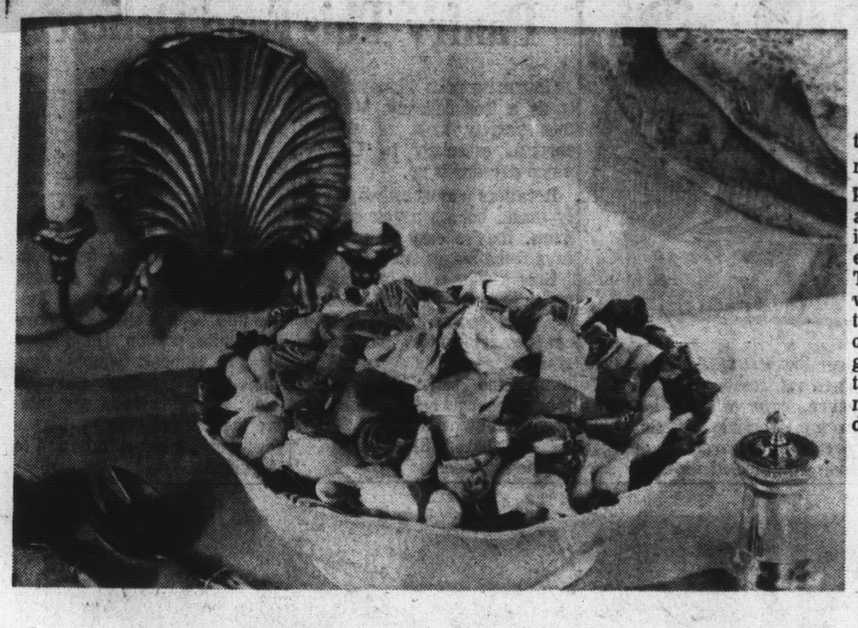
Live It Up With This Tuna Salad



TUNO SALAD FLORENTINE — Lovely to look at, delectable to eat, this terrific party salad is inexpensive but elegant.

Here's a marvelous chilled tuna, artichoke heart and macaroni salad for your next dinner party. This is a salad equal to any you could find at a top Italian restaurant. Tuna Salad Florentine is delightful to the eye. Tender chunks of tuna, combine with the subtle green of artichoke hearts, the brilliant red of tomatoes, the nippy dark green of watercress leaves, and the delicate ivory of shell macaroni accented with a rosy pink dressing. It tastes great!

TUNA SALAD FLORENTINE

- 3 cans (6½ or 7 ounces each) chunk light tuna in vegetable oil
- 3 cups shell macaroni, cooked according to package directions
- 1 package (10 ounces) frozen artichoke hearts, cooked 5 minutes in boiling salted water
- 3 tomatoes, diced or cut in wedges
- ¾ teaspoon salt
- ¼ teaspoon pepper
- ¼ teaspoon garlic powder
- ¼ teaspoon paprika
- ½ cup salad oil
- 1-3 cup vinegar
- 1½ cups watercress leaves
- Spinach leaves

Combine tuna, macaroni, artichoke hearts, and tomatoes in large bowl. Sprinkle with salt, pepper, garlic powder, and paprika. Combine oil and vinegar; add to tuna mixture and toss lightly.

Refrigerate until thoroughly chilled. At serving time, add watercress. Line bowl with spinach leaves; turn in salad. If desired, a pattern may be arranged on top of salad by placing artichoke hearts in circle, then wedges of tomatoes and piling tuna in center.

ADULT TASTE

Like to pop corn over the campfire? Next time for a strictly "adult" taste add a generous amount of California walnuts to the buttered, hot corn.

WALNUT MELON MEDLEY

For salad or dessert add tiny raindbow-hued balls of assorted types of melons plus crisp California walnut halves to a sparkling lemon gelatin mold.

37¢ a Serving

FAMILY SKILLET MEDLEY

Preparation Time: 18 minutes

A fitting Sunday Special, this recipe satisfies both palate and pocketbook.

- 4 KOLD KIST BUTTERED BEEFSTEAKS
- SALT & PEPPER
- 6 OZ. NOODLES OR MACARONI
- 1 (½ GRAM) PKG. SPICY CHEESE DIP MIX
- 1 CUP DAIRY SOUR CREAM
- 2 TBSP. DICED PIMINTOS (OPTIONAL)

Brown Kold Kist Buttered Beefsteaks on both sides in butter provided in package. Sprinkle with salt and pepper. Meanwhile, cook noodles according to package directions; drain. Add dip mix to sour cream and pimentos; stir into drained noodles. Add noodle mixture to steaks. 4 servings.

N.Y. Culinary Crowd Throws Elaborate Coming-Out Parties

By CECILY BROWNSTONE

Nobody but nobody has coming-out parties like the New York clinary crowd.

Let a star-shaped pretzel for July 4 be born or a new cookbook appear and there's a celebration.

To chronicle the latest of these happenings, we asked our friend Roslyn Beilly to report:

The Scene: Elegant penthouse apartment brimming over with antiques, fresh flowers and a spectacular sunset view of Manhattan's East River.

The Hostess: Magazine food editor Helen McCully with a reputation for impeccable taste, looking both striking and swiming in a long white embroidered cotton dress from Mexico.

The Food: A buffet of platters of whole striped bass lavishly garnished and served with Sauce Vert, Pate en Croute, crusty French bread and lacy cookies.

The Guests: From the New York world of cuisine — editors, writers, epicures, chefs and restaurateurs, exchanging food news and gossip.

The Occasion: The publication of a new book —**'Nobody Ever Tells You These Things about Food and Drink"** by Helen McCully (Holt, Rinehart & Winston, $6.95).

I asked Miss McCully how the book happened. "It started as a column in "House Beautiful" to answer readers' questions," she said. "I found that even experienced cooks were puzzled about certain cooking techniques. And as the questions came pouring in, someone suggested collecting the answers in eprmanent form for easy reference. And so the book."

Written in a lively and assertive style, "Nobody," as Miss McC. fondly calls her book, is divided into several categories including one chapter on housekeeping hints. Speaking above the brouhaha of the party, she continued. "The hints came of my experience in the kitchen. Women were delighted to know that refrigerating a package of plastic wrap would keep the wrap from sticking, or that the way to clean up a spilled raw egg is to cover it with salt and let it stand until you can sweep it up with a broom.

"Letters from readers guided my choice of other objects. One chapter is devoted to cooking terms and techniques. Other chapters take up the classifications of food and include many details that cooks need to know."

Around the buffet table in the small but exquisitely appointed dining room, the talk ranged far and wide, but always back to food. I met a handsome young French chef who had cooked for eGneral DeGaulle and now studies Philsophy at Columbia. I eavesdropped on a conversation between the head of a New York cooking school and the cookbook editor of a large p[illegible] house on the difficulties of maintaining one's weight in the face of marvelous food at work and at play. And I was struck by the camaraderie of this "in" group — generous and genuine in their praise of the new book.

I took "Nobody" home to leaf through, but I found myself reading the book from cover to cover. I feel that Helen McCully has made a real contribution—her research, her practical knowledge and her good taste combine to make her book helpful to any homemaker.

And throughout the book, like raisins in a cake, is a sprinkling of delicious recipes. Here is one I treasure. — R.B.

Soak 34 very fine, large prunes for 24 hours in 2 cups of the best red port. Then add 1-cup sugar, 2 more cups of port and ½-vanilla bean. Cook, covered in an enamel saucepan over low heat until tender. Cool. Then refrigerate for 3 days. To serve, cover with whipped cream, sprinkle thickly with powdered macaroons, and garnish with candied violets.

Panfry This Food Delicacy

Gourmets prize kidneys highly as a food delicacy. Much of this variety meat is shipped abroad, especially to Europe, since demand is up.

Retailers may not always carry them, but when you can get them, they're easy to prepare, says Reba Staggs, meat expert.

Beef kidney is the largest and considered less-tender. Usually it's prepared as kidney stew or cut into small slices and braised or fried as in this recipe. Veal, lamb and pork kidneys are tender enough to be broiled, or prepared by panfrying.

Savory Kidneys

1 pound kidneys
Vinegar
1 egg, slightly beaten
2 tablespoons milk
1 teaspoon salt
¼ teaspoon dry mustard
2 teaspoons dill seeds
½ cup dry bread crumbs
¾ cup lard

Remove membrane from kidneys. Cut lamb or pork kidneys in half or cut veal or beef kidneys into ½-inch slices. Remove hard white portion. Dip kidney pieces in vinegar. Combine egg, milk, salt, mustard and dill seeds. Dip kidneys in egg mixture then bread crumbs. Brown slowly, on all sides, in lard. 4 to 6 servings.

Cook Veal Cutlet With Bouillon

Veal round steak or cutlets are often prepared with tomato sauce, paste or other types of tomato. However, if a homemaker wants to supply the moisture for braising from bouillon, this, too, gives interesting results.

The delicate flavor of this meat requires moist heat cooking so that it can be deevloped, says Reba Staggs, meat expert.

As seasonings to go with the beef bouillon, there's a bit of garlic salt and soy sauce along with onions, mushrooms and olives.

Veal 'Round the World

2 pounds veal round steak or cutlets, cut ½-inch thick
1-3 cup flour
¼ teaspoon salt
¼ teaspoon pepper
4 tablespoons lard or drippings
1 beef bouillon cube
½ cup hot water
¼ teaspoon garlic salt
2 tablespoons soy sauce
2 medium onions, sliced thin
¼ cup butter or margarine
½ pound fresh mushrooms, sliced
¼ cup sliced stuffed olives

Combine flour, salt and pepper. Dredge meat in seasoned flour. Brown meat in lard or drippings. Pour off drippings. Dissolve bouillon cube in water. Add bouillon, garlic salt, soy sauce and onions. Cover tightly and simmer 30 minutes. Melt butter or margarine and cook mushrooms in it for 5 minutes. Add mushrooms last 5 minutes of cooking time. Add olives before serving. 6 to 8 servings.

POPEYE'S SALAD

Toast California walnuts in the oven until browned and crisp, then toss gently with crisp leaves of fresh spinach, grapefruit sections and mild onion rings. Garnish with sieved, hard-cooked egg yolk and serve with a tangy oil and vinegar dressing.

Studies Aim at Finding Out Why Man Can't Live Forever

Does anyone ever die of just plain old age? If all diseases were curable, and no one was killed in accidents, how long would we live? Is there some point at which the body would wear out and simply give up? Would such wearing out take place at age 100, 150, 200?

Scientists trying to answer these questions first have to de fine aging. In the absence of disease, what changes takes place as the individual gets older? The next question is, what cuases these changes? And the ultimate question: Can anything prevent or delay these changes?

The National Society for Medical Research points out that laboratory animals, always important in sicentific research, are indispensable in the study of aging. The animals' diet and other environmental factors can be controlled, but most important, the researcher will outlive his experimental subject. These relatively short life-span of most animals permits birth-to-death developmental studies which are not feasible in humans.

Such animal studies have indicated several possible explanations for the aging process: We may eat ourselves to death; something cuases body cells to release substances which digest the cells themselves; natural or man-made radiation sets off destructive changes in the cells.

About 30 years ago Dr. Clive McCay of Cornell found that young rats fed semi-starvation diets would live up to 50 per cent longer than rats allowed to eat as much as they wanted. Perhaps because nobody wanted to end up as a skinny rat, this work was not followed up for some time. Now, with modern scientific techniques, the effects of diet on longevity are being studies in a number of laboratories across the country. Rats, dogs and hogs are being fed varying diets and observed for aging changes and enzyme levels during their life-span. At death the various organs are observed for gross microscopic changes. These changes are then compared to see if the varying diets cuased any difference in the aging of the animals.

The older individual has fewer cells in his body than when he was younger. The only sign that a cell is getting older and approaching death is a characteristic pigment found in aging tissue. Cells carry their own "suicide sacs," structures called lysosomes enzymes digest cells after death. In the aging cell, the lysosome enzymes are apparently released and digest some of the cell material around them, leaving a brown pigment.

There have been reports that a drug, centrophenoxine, favorably affected mental functioning in elderly people. Dr. Geoffrey Bourne of Emory University, Atlanta, gave the drug to old guinea pigs and found that the aging pigment in their brains disappeared.

Irradiated animals age prematurely; for the most part, they die at a young age of diseases which usually kill older animals. Irradiation may effect aging because it induces the formation of types of chemical compounds known as "free radicals." Finding these compounds in irradiated animals led to the thought that free radicals mghit also play some part in the aging of normal animals. Dr. Dennis Harman of the University of Nebraska reported that he can increase the life-span of mice 50 per cent by feeding them compounds that reduce the concentration of free radicals in the tissues.

These are just a few of the lines of investigation into aging. Among other things, scientists are also working on the possibility that as we grow older we become allergic to, and destroy, some of our own body constituents. They are studying the hereditary material in the cells, which may go awry in the aging individual and cause production of defective enzymes, and are investigating the structure and function of the inert connective tissue that replaces living cells as the individual ages.

None of these studies is likely to enable us to live forever, but at least we may know why we won't.

Probation For Dogs In State Parks

SACRAMENTO — State Parks and Recreation Director William Penn Mott Jr., today made it official that, starting next October 1, dogs are going to have a one-year trial period in which to prove themselves good neighbors in state park campgrounds. The prohibition of dogs overnight remains in effect this summer.

Mott signed an order that will at least temporarily end a 22-year ban against keeping dogs overnight in the state park system. But the order sets tight controls on dogs both day and night.

The order applies from next October 1 through September 30, 1968, when it will expire. It includes all campgrounds in the state park system.

Based on public hearings, written statements from the public and the state Park Commission's recommendation, the one-year trial rule does the following:

Prohibits noisy or vicious dogs and prohibits the turning loose of any animal at any time, anwhere in the state park system.

Requires that, at all times, dogs be kept either on a leash not more than six feet in length or confined within a vehicle.

Requires that dogs and cats be kept inside a tent, camper or other enclosed vehicle during the night hours.

Except the "Seeing-Eye" dogs of blind persons, prohibits dogs on any park trail outside the limits of campgrounds, picnic areas and other areas with public facilities, and prohibits dogs in any building or structure of the state park system.

"This is going to give dog owners the chance to prove they can keep their pets overnight in state park campgrounds without lessening park enjoyment by others," Mott said in signing the order.

"More than 20 years of emotional argument has settled nothing, but at the end of this one-year period we can adopt a regulation supported by facts," he concluded.

FAA Seeks Specialists

The Board of U.S. Civil Service Examiners, Federal Aviation Administration announces an examination for Air Carrier Maintenance Inspector-Specialist, General Aviation Maintenance Inspector-specialist, Air Carrier Electronics Inspector-Specialist and General Electronics Inspector-Specialist at grades GS-9, GS-11 and GS-12. Positions to be filled are located in the states of Arizona, California, Colorado, Idaho, Nevada, Oregon, Utah, Washington and Wyoming.

Applicants will be rated on the basis of their experience and applications will be accepted until further notice by the Board of U.S. Civil Service Examiners, Federal Aviation Administration, 5651 West Manchester Avenue, Los Angeles, California 90045.

Application forms may be secured from the Board of Examiners, from any Post Office hwree the announcement is posted, from any office of the U.S. Civil Service Commission or any Interagency Board of U.S. Civil Service Examiners.

All qualified applicants will receive consideration for appointment without regard to race, religion, color, national origin, sex, political affiliation, or any other non-merit factor.

SPICE INTEREST

Many of the appealing sausages which we find in markets today have spices which are characteristic of them. Honey Leaf, for example, has some black pepper and capsicum. The latter is a tropical herb which produces berries resembling peppers.

Liver sausage has as its seasonings the following: marjoram, mace or nutmeg, cloves, allspice and pepper.

Cotto or cooked salami gets interesting flavor from coriander, pepper, paprika, ginger and even, in some cases, anise and cloves.

Westside Church Guest Speaker

The Rev. Gordon McLean, new director of the Santa Clara Valley Youth for Christ, will be guest speaker at the 11 a.m. worship hour Sunday at Westside Baptist Church.

The Rev. McLean will substitute for the pastor, Rev. David Donnelley, who is conducting activities at the annual Baptist camp.

Rev. McLean, a native of Canada, conducts the Youth for Christ rallies twice each month at the Willow Glen Baptist Church in San Jose. He also conducts a phone show for a San Jose radio station.

Special music for the Sunday program will be performed by the Ladies Trio, with Mrs. Roy King at the organ.

The movie "Campus Countdown" will be shown at the 7 p.m. Family Fellowship Gospel Hour Sunday.

Produced by Campus Crusade, Inc., of Arrowhead Springs, the film depicts the work of young evangelists on the University of California campuses at Berkeley and Los Angeles last February.

Congregational singing at the evening service will be led by Bill Anderson, and Miss Diane Swedberg and Marian Hillerstrom will present a vocal duet.

Death Jump By Woman

SAN FRANCISCO (AP) — A woman stopped her car at mid-span on the Golden Gate Bridge Sunday, leaped out, peered over the railing briefly, then jumped to her death.

She was Sylvia Margaret Hezler, 48, of 811 Heather Road, Colma, according to the California Highway Patrol. The Coast Guard recovered her body within an hour.

NORTH COUNTY DEATHS

ETTA (TONI) SUNDERLAND

Funeral services were held Thursday from Lasswell Chapel for Mrs. Etta (Toni) Sunderland of Daly Cith, who died July 10, after a lengthy illness at Mary's Help Hospital.

Burial was in Cypress Lawn Memorial Park, Colma.

A longtime resident of Daly City, she was the wife of former Police Chief Wilber W. Sunderand.

Mrs. Sunderland was a member of Ruth Chapter 305 of Order of Eastern Star.

Survivors, in addition to her husband, include a stepson, James Sunderland, and two stepdaughters, Valere Ryan and Angela Schenone; three brothers, George Draper, Fred Hanson and James Draper, and two sisters, Grace Hammond and Florence W. Longmire.

MRS. ALMA THERESA GROSS

Services were held July 13, from Lasswell Chapel for Mrs. Alma Theresa Gross, 54, of 528 Hemlock Avenue, Millbrae, who died July 11, at Peninsula Hospital.

A requiem mass was celebrated at Our Lady of Perpetual Help Church, with entombment at Holy Cross Cemetery.

She is survived by her husband, Ivan Gross, and a son, Robert Gross; two sisters, Eleanor Dimassimo and Thelma Gerranss; a brother, Albert Dimassimo, and one grandson.

LEELA ESTELLE FRAZIER

Funeral services were held Thursday from Lasswell Chapel for Leela Estelle Frazier, 86, a longtime resident of Daly City, who died July 11, at Mary's Help Hospital.

Cremation was at Olivet Memorial Park.

Survivors include a daughter, Gladys M. Benofsky, Daly City, and other relatives in Oregon.

JAMES NEWBERRY

James Newberry, 41, of 521 Rocca Avenue, South San Fancisco, died unexpectedly at his home, July 12.

Funeral services were held Saturday from Nauman and Lincoln Chapel, followed by a requiem mass from Mater Dolorosa Church at 9:30 a.m. Burial was in Holy Cross Cemetery.

A native of Tulsa, Okla., Newberry resided in South San Francisco about 10 years. He was tile worker and a member of Carpet, Linoleum and Soft Tile Workers' Union, Local 1235, in San Francisco.

Survivors include his widow, Ella Mae, and two daughters, Glenda and Bobbie Sue Newberry, all of South San Francisco; mother, Mrs Dora Newberry. Tulsa; four brothers, Jude, John, Frank and Harry Newberry; three sisters, Irma, Edith and Dehila Newberry, all of Oklahoma.

MEDFORD CHRYSLER

Funeral services will be held at 10 a.m. Thursday from Nauman and Lincoln Chapel by the Sea for Medford Chrysler, 20-year-old Pacifica Marine who was killed in action in Vietnam, July 2.

Burial was in Golden Gate National Cemetery.

A native of Hollister, Chrysler was a 1965 graduate of Terra Nova Higr School.

He is survived by his parents, Mr. and Mrs. Adrian Chrysler, 1411 Maderia Drive, Pacifica; a brother, Dennis Chrysler, and two sisters, Katheryn and Karen Chrysler, all of Pacifica; a half-brother, Eugene Walker of the United States Nav ,yand a grandmother, Mrs. Essie Barber, Riverank.

ALBERTA VILLANUEVA

Funeral services were held July 13, from Nauman and Lincoln Chapel for Alberta Villanueva, 49, of 404 Poplar Avenue, San Bruno, who died July 10, in Burlingame.

Burial was in Olivet Memorial Park.

A native of Laurel Mont., she resided in San Bruno more than 30 years.

Survivors include her husabnd, Daniel Villanueva, San Bruno.

Blood Bank's Big Month

The busiest month in the history of the Peninsula Memorial Blood Bank was marked up in June. It came fittingly as the blood bank was celebrating its 25th anniversary of service to the Peninsula.

Some 1,627 pints of blood were drawn in June — an all-time record for civilian service here. Once in the war years a slightly larger number was drawn for military use.

As of July 1, there have been 93,622 individual donors who have given 241,101 pints of blood. In 1966 a record 15,022 pints of blood were drawn and 16,423 pints of blood and plasma were distributed to 3,772 individual patients.

The Peninsula Memorial blood Bank serves a 491-square mile area from Daly City to Sunnyvale, containing some 661,600 residents.

R.C. Residents Are Injured

Two Redwood City residents were injured Saturday in an auto crash on La Honda Road two miles east of Skyline Boulevard.

Highway Patrolman Neal Holbrook said a small foreign car driven by Eduardo Cavazos. 40-year-old machinist of 34 Meadow Lane, left the road on a sharp curve and crashed into an embankment.

Holbrook said a contributing cause might have been Cavazos' unfamiliarity with the car, which he had purchased new less than 48 hours earlier. The auto sustained major damage.

Cavazos, who suffered multiple glass cuts on his face and passenger, Norma Garcia, 31, who sustained multiple bruises and abrasions, were taken to Sequoia Hospital for treatment.

"DENTAL HEALTH FACTS"

What is malocclusion?

Malocclusion is irregularity of tooth position and poor fitting together of the teeth on closing the jaws. Such irregularity not only may interfere with chewing and with speech but also may lead to disease of the gums and other supporting structures of the teeth (periodontal disease). Malocclusion may also produce deformities of the face.

Dr. Campbell tries to limit his practice to the making of dental plates, partial plates, removable bridges and extractions for some; however, he recommends that you see your dentist at least twice a year in order to help prolong the use of your natural teeth. Dentures are not as efficient as healthy, natural teeth.

Alexi's Zorba Features Greek Cuisine and Music

ONE OF THE MOST EXCITING restaurant openings on the Peninsula happened eight days ago when **Alexi's Zorba**, an authentic Greek restaurant, opened adjacent to the Hyatt Cinema in Burlingame. Owners **Alexi Zorba, Mike Kourkoutakis** and **Michael Nicolas** have programed the ultimate in Greek cuisine and Middle East entertainment for their restaurant patrons. Behind the exotic menu attractions is internationally famed **Peter Alex,**, a chef with the highly acclaimed Five Star Rating. **Manolis Amboliotis and his Orchestra** play for dancing; the exciting guitar and accordion of **Syllas and Kostas** are heard nightly from 6 p.m. to 9 p.m., and the lovely singing voice of **Marina Manouella** can be heard throughout the evening's entertainment. Patrons will be fascinated by the captivating sounds of Manolis on the Bouzouki.

Peter Alex

CRYSTAL LIL'S, which opened last week as a nightclub on San Francisco's Broadway, takes a comic, nostalgic peek at San Franciso's past, but it has no Topless or nudity. Upstairs, you sip complimentary champagne and view eleven historic and humorous incidents taken from the wonderful and wicked period from the Gold Rush to the '06 Earthquake. Downstairs, in the parlor and cabaret there's a nightly revel with music by **Gil Cardon and his Tiffany Parlour-House Band. Crystal Lil,** played by **Barbara Borden,** sings and plays drums. **Karen Bosshard** and other authentically costumed "Ladies of the evening" serve cocktails and entertain vocally with ragtime, jazz, rock and popular songs . . . **Dyonne,** topless dancer at the Galaxie on SF's Broadway, was named "Fairest Of The Bar" by a group of studio casting directors when she danced in Hollywood. Another Galaxie topless star, **Jeani Monroe,** was acclaimed "World's Prettiest Topless" by a group of lads from the warship Enterprise.

Karen Bosshard

STEVE NORTON, Director of Sales at the **Villa Hotel,** reports: (The new 1967) Villa Hotel Airport buses are now on the run! In case you hadn't noticed, the buses are painted blue and gold (yellow), which are not only the Villa's own "racing colors," but just happen to be the California state colors. Sparkling as they are, the buses are a terrific ad for both the Villa Hotel and for San Mateo each time they circle the Airport Terminal drives at San Francisco International Airport . . . Peppy and talented described **Claudia Kennedy,** currently appearing at the sensational Chamberlin organ Thursday through Saturday nights in the lounge of the **New Southern** restaurant. Co-owner **Reno Donati** says smiling Claudia has brought singalong fun back in style for patrons of his South San Francisco restaurant. . . . **Doros,** named for "Dining Distinction" in San Francisco for the sixth straight year by Holiday Magazine, reopens Monday after a two-week vacation.

Steve Norton

☆ ☆ ☆

LOU RAWLS, known as a "singer who talks," ipens in the Venetian Room of the **Fairmont** July 20, through August 9. Primarily a singer of popular songs with a touch of the blues, Rawls tries to reach everyone—from the teenagers to the rock n' rollers to the more mature audiences. Judging by the sales records on his hit albums, "Soulin'," "Carryin' On," and "Too Much," he's accomplishing his aim. With his songs, monologues and quips, Lou creates an atmosphere of intimacy . . . **Balkan Village,** the swinging Greek supper-club in Los Altos, is a popular rendezvous for visiting Greeks. Last week, owner **Louie Gundunas** was paid a visit by **Manolis Tsabakis,** one of the dancers in the movie "Zorba the Greek." Manolis is from Crete where the film was made. He seemed to love every minute of the dancing, entertainment and dining at the Balkan.

Lou Rawls

☆ ☆ ☆

THE DELIGHTFUL GRACIOUSNESS and authentic cuisine of the Orient are just minutes away for most Peninsulans. **Toshio Kiyohara** and his charming wife, **Tsuyako,** offer hospitable dining in an atmosphere that's truly Oriental at their **Irifune** Japanese restaurant, located on Seventeenth Avenue, San Mateo. From the colorful paper lanterns hanging on the outside, to the private Tatami rooms, the restaurant design has award-winning appeal. Chef **Ken Tsuzi** excels in traditional Japanese dishes, such as the Nishiki and Irifune Omakase Dinners. If desired, as a chef's specialty (for two or more), Chef Tsuzi will prepare almost any imagineable Far Eastern dish. For those who seek out the unusual at noontime, a special luncheon menu is featured which is changed daily. Kimono-clad waitresses, headed by **Akiko,** have you out of your shoes and seated in one of the four private Tatami rooms, which accommodate up to five people each, all in one motion. Reservations are suggested on weekends. Table service is also available in the dining room.

Toshio Kiyohara

☆ ☆ ☆

SANDY McQUEEN, the classy undresser at the **Cameo Club** in Palo Alto, has the voluptuous blonde beauty of Zaza Gabor and the haunting eyes of a Polynesian temptress. Her scorching dance technique makes everyone wonder why she hasn't played here before. **Bernie Burns,** the harmonica novelty performer, is also an exceptional entertainer in the five-act Topless-Variety show. . . . Three wild groups, **6/8 Paradox, Sweet Smoke,** and **Lighthouse for the Blind,** will be showcased at the **Winchester Cathedral** in Redwood City, this weekend. The Cathedral's doors are now open four nights a week. As usual, owner **Rich Romanello** has great things planned for the remainder of the summer . . . The special "Ladies' Night" every Monday at the **Hi-Fi Room South** is a total success. Drinks for the gals are 35 cents, plus free orchids. Owners **Joe Borges** and **Ben Muniz** have succeeded in bringing the girls.

Sandy McQueen

"Best for Banquets" Emerson Murfee Slogan

Many lines have been written about **Emerson Murfee's** well-appointed **Villa Chartier** and **Lanai** restaurants, and by now most folks know that "Best For Banquets" is a slogan full-filled in both. With nine dining rooms from which to select for your party or wedding reception, why look further! The Villa Chartier offers such features as Prime Rib, Maine Lobster and prime New York Cut Steaks. The Lanai is widely known for exotic foods of the Indies, the Orient, and Hawaii, plus a large variety of tropical drinks — all served in a tropical atmosphere reflecting the mood of the Islands. The **Lanai Liquor Store,** another Emerson success, is open from 10 a.m. to 12 midnight and shelves the finest selection of liquors and wines, both domestic and imported. Free home delivery.

☆

Vince Licata Back in Action

After a well-deserved vacation, the **Licata family** is back in action at **Vince's Italian** restaurant, and business is as brisk as usual. During the time off, the restaurant's interior and exterior were painted and all the carpeting was mysteriously taken to the "cleaners." Of course, Vince's adjacent delicatessen and fish depot still remains the "take out" food center of the Peninsula.

☆

Today's reopening of the **Shadows of San Mateo** marks the end of a two-week's vacation enjoyed by the entire staff. Co-owner **Dave Rasmussen** reports that luncheons and dinners are being served on a grand scale, as usual.

☆

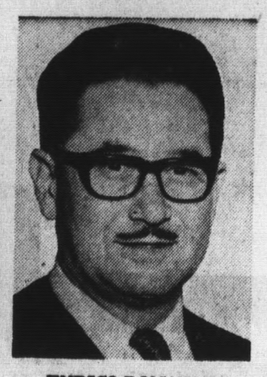
For a full course meal of Italian food fare at low prices, it's **Nick Finocchio's New Tivoli** in San Francisco. The old-country atmosphere and genuine hospitality of owner-host Nick will bring you back again and again.

☆

Almost everyone loves pizza, but how often can you enjoy really good pizza in a typical Italian garden setting? The answer is every night of the week, at **Romano's** in Pacifica. The interior of **Enrico Romano's** restaurant was designed after an old-fashioned garden setting in the old country.

☆

Yvonne DeKova, the beautiful—and beautifully built — blonde, is back in the eight-act topless show at **Gomans' Gay 60's.** Yvonne is the girl who does the sensational "Nude On The Swing." You gotta see to believe!



ENRICO ROMANO'S
Romano's of Pacifica

Wedding Bells For Lou Ercoli

Big news at the **Leaning Tower:** Co-owner **Lou Ercoli** and pretty **Kathleen Kelly** will take their wedding vows tomorrow. Lou, who just returned from military summer camp for the last time, won't be able to take off on a honeymoon right away. Instead, he will return to his post at this popular South San Francisco restaurant.

☆

Roabee Roast Beef And Hot Apple Pie

A "Roabee" is a meal in itself, say most people who have enjoyed the new rage in Roast Beef Sandwiches at **Roabees,** located across from the Hillsdale Shopping Center. They're not only delicious, but filling! Hot Apple pie just oozing with sauce is also a much-requested dish.

☆

Oreste's restaurant is well-established in serving fine Continental cusine with the dignity that comes with age and the support of friends. Overly generous portions of food are served, and the menu is extensive. Oreste's truly adds to San Francisco's fame for good eating.

☆

Marion Blarer, wife of Chef-owner **Wilfried,** and hostess at their **Matterhorn** Swiss restaurant in Burlingame, is quite a linguist. She speaks and writes five different languages fluently, and can conversationally understand three more.

☆

Everyone knows that **Frank Torres' Montara Beach Hotel** is famous for Peruvian dinners, but are you fully aware that Frank also specializes in steaks and seafood? Whatever your choice, you'd be hard pressed for a more picturesque view of the beautiful Pacific while dining and sipping.

Black Angus Chuck Wagon Schedule

CARLO FASOLO is making some mighty important changes in his **Black Angus Chuck Wagon** hours. On Saturday, Sunday and Holidays, dinners "only" will be served from 5 to 10 p.m. Happy Hour Cocktails: Monday through Friday, 11:30 a.m. to 5 p.m.; Saturday, Sunday and Holidays, 4 p.m. to 5 p.m. The schedule will be in effect all during the Summer months. This "All you can eat" San Mateo restaurant is a "chow time" target for luncheon or dinner. . . . Took **Harold Varni's** suggestion during my Tuesday p.m. visit to the **Exposition Fish Grotto** and ordered an Olympic Oyster Cocktail, followed by a wonderful Abalone Dinner. "I won't even give you a knife," said Harold. "Cut it with a fork." He was so right! . . . Without a doubt, **Brothers'** Kosher-style delicatessen and restaurant is made to order for warm weather refreshing. Fresh salads, many kinds of cold cuts, "low calorie" plates, and a variety of filling, but light, hot dishes.

☆

Antiques Topic Of Conversation Scotty Campbell's

The male patrons of **Scotty Campbell's** are complaining! It seems that many of the femme dinner partners become so engrossed with the antiques and curios that owners **Theresa** and **Mary Lou** have collected that they completely ignore any other attempts at conversation. Take it from your **Bright Lighter,** that's a common malady with most couples on their first few visits to this outstanding Redwood City dinner house.

☆

Duane Eckert Is Now Back "On The Bridge"

Duane Ecker, "Captain" of the **Cap'ns Cabin,** has been vacationing at Lake Tahoe, where he had the opportunity to put his nautical know-how into action. Besides hitting the golf course every day, he spent considerable time out on the lake in his boat. Now hear this: The "Captain" is back on the "bridge" at Cap'ns Cabin.

☆

New Dance Policy At Augie's 3rd Ave.

Thursday, Friday and Saturday are now the "Light fantastic nights" at the all - new **Augie's** on Third Avenue. So join the dinner crowds for dancing to the music of **The Kingsmen. Phyliss** and **Augie** would also like to announce that they are now serving a luncheon special (beverage-wise and food-wise) — Double Martinis for just 75 cents.

221—Help Wanted—Female

SECRETARY to ADMINISTRATIVE MANAGER

Excellent opportunity for a mature, well-qualified woman to assume a responsible assignment as secretary to the Manager of Administrative Services here at our Research and Development Laboratories. In addition to a moderate amount of shorthand and typing and filing, this particular job requires an individual who is adept at, and likes, detailed paper work of a statistical nature such as dollar/manpower budgets and forecasts, etc. In order to be considered for this opening, applicants should possess the following qualifications: (1) at least 3 or more years of recent experience in a similar assignment; (2) ability to assume responsibility and work with a minimum of supervision; (3) a good employment record; (4) attractive personality and appearance; and (5) the ability to pass a series of tests, including shorthand (85 wpm) and typing (65 wpm using IBM electric typewriter).

Please telephone Mr. John Gundershaug at 326-6323 for further details and to arrange a personal interview, or submit detailed resume including salary history and requirement. All inquiries will be held in strictest confidence. We are an equal opportunity employer.

SYSTEMS PROGRAMMERS

Unique opportunity for systems programmers. Hewlett-Packard has recently developed its own computer for instrumentation applications. Delivery to customers has begun. Our systems programming group is developing the software for these computers and is expanding rapidly.

Qualifications include a BS degree + 2 years experience in machine language programming. Knowledge of compilers and real-time systems is desirable. If you would like to move up to a responsible position in a small group where you'll be in close contact with top engineers and the very newest hardware, come to Hewlett-Packard.

Hewlett-Packard is a commercial non-defense oriented company which is proud of its stability. Unusual benefits include cash profit sharing and company paid insurance and retirement plans. Send resume or apply by calling Professional Employment Supervisor, 1501 Page Mill Road, Palo Alto, Calif. 94304. Phone 326-7000.

Sign 'Wars' Develop At S.S.F. Area

South San Francisco Planning Commissioners are again at odds with developers of the Westborough planned community, this time over "non-appurtenant signs" posted in undeveloped areas of the subdivision.

The commission Monday ordered Caesar-Callan Homes, Inc., to remove "all non-appurtenant signs feature signs, and signs within the city's street rights-of-ways within ten days."

The action came after City Planner Daniel Pass reported counting 68 signs "of all sizes and descriptions" posted in the subdivision.

"These signs are not uniform," Pass said. "There are medium size signs, signs of billboard size, and one sign which is completely bare of any copy. None of these signs is supported by a use permit from the planning commission."

"There are signs advertising West Park, and Terra Loma in Daly City, and one sign which calls attention to the business of F. Ferrando Co., Pass said.

"They are placed in a cascade 'Burma Shave' fashion along Callan Boulevard and King Drive," the planner said, "and are wholly untenable."

Caesar-Callan was also ordered to fill use-permit requests for the signs which will remain posted in Westborough.

A committee was appointed to inspect the area after ten days, and commissioners said they will request that the city attorney initiate legal proceedings "if the situation is not corrected within the specified time."

Burglar In San Bruno

There's a frustrated burglar roaming the San Bruno area today.

Last night he broke into the construction offices of Dillingham-Zachary-Kaiser Company inside the U.S. Naval base in San Bruno and tried to "peel" open a huge floor safe with a jack handle.

After what police suspect was several hours of strenuous work, the burglar gave up his project—half way through the thick steel door.

He next turned his attention to a nearby candy vending machine and successfully pried open the door, exposing the cash box containing more than $13 in coins.

But before he could clean out the machine a security guard scared him off, police surmise.

$20,000 Damage Listed

Teen-agers in South San Francisco have literally been "tearing the town apart" since schools let out last month, with vandalism accounting for more than $20,000 in property damage, police reported this week.

Chief John Fabbri said malicious mischief incidents have been occurring at a rate of two each day for the past 45 days, "and these are just the cases which are reported."

"This is truly an alarming increase in irresponsible acts by young people," the chief said. "I've never seen anything like it in this city."

In June of 1966, there were 62 cases of malicious mischief reported, Fabbri said. More than 100 were reported last month, and there have already been 70 cases this month.

Police received five complaints Wednesday reporting such incidents as plate glass windows being broken with BB guns, paint splashed on a new house, and automobile tires slashed.

There have also been numerous incidents of trespassing, disturbing the peace and liquor law violations by young people, Fabbri said, as well as thefts and burglaries.
